

Games, Contests Enliven Clubwomen's Holiday Party

Members of the Business and Professional Women's Club got Christmas festivities off to an early start Tuesday evening when they held their Christmas dinner party at the North Halton Golf and Country Club. The president, Miss Jean Mackenzie, received the members and their guests at a cocktail hour before dinner. The festive theme, Christmas gifts before everyone began to enjoy the wonderful Christmas songs and carols, accompanied dinner of turkey, right through to the delicious Christmas pudding at tables which were all aglow with candles and bowls of Christmas balls.

Business was dispensed with for the evening with the exception of the correspondence which consisted of a letter from the Bursary winner, Miss Heather Arnold, a student at the School of Nursing at St. Joseph's Hospital, Guelph, and the re-reading of the invitation to Brampton Club in January and in reply to this over twenty members signified their interest.

'Y' Expansion Stalled As Fund Campaign

The YWCA's plans to expand the program now going on in Georgetown have been temporarily side tracked because of the failure of the recent campaign for funds. The announcement was made to 'The Herald' Tuesday morning by a Georgetown Y-spokesman.

The Y Campaign Budget was \$10,000. The recording thermometer stalled at \$3,662 and Treasury, Public Relations, Dr. although late funds are anticipated from industry, business and private donors it's obvious the blitz will fall well short of the objective.

'Y' officials feel it takes more than a full year to establish a pattern of financial support for a community," the spokesman said. "We're not discouraged at the result but pleased that so much was raised."

In 1963 the transportation costs were \$5,755 and the forecast for next year is \$8,510, according to the treasurer.

The Association will have to raise \$8,000 in 1964 just to continue operating the school, the report revealed.

Confirm Morette Foreman After Probationary Period

Probationary foreman for six months, Frank Morette was confirmed in this position by the new council rather than the outgoing one.

It was pointed out that while council is limited in making such appointments after an election, a clause in the Municipal Act allows this if a certain percentage of the sitting council approves of the sitting foreman.

Morette but thought the actual year, with seven members confirmed, the clause is valid.
