

THEY MADE HISTORY WITH A FULL HOUSE

These four curlers at the North Halton Golf and Country Club hit the jackpot on Tuesday, December 3rd when they scored an eight-ender in the sixth end of a regular scheduled game in the draw.

Don Schenk, the opposing skip, says he must have been using a very narrow rock, because he could not again put his rock through such a small port as he did that evening.

This is the second eight-ender that has occurred at the club since it was moved to the present location. A rink from the other side of Toronto scored an eight-ender in a bonspiel here the first time the present rink was in operation.

The congratulations of all members goes to the winners of this rare honour that has come to this foursome of good curlers.

CURLING CHATTER

Bob MacArthur from the

North Halton GOLF and COUNTRY CLUB

For the second time in the history of the North Halton Golf and Country Club an eight-ender has been scored. The skilled players were Harry Chappel, skip, Jim Flack vice, Don Curry, second, and John Hintern, lead. The aim of all curlers happened in the first draw of the club curling last Tuesday on the sixth end. Needless to say, the last two games were not played. The opposing skip, Don the pup man, has sure taken quite a riding, but as he says, he sure was trying to cut the end down, and the last shot he made, he went through a narrow port that could only happen once in a lifetime. He was among the first to congratulate the lucky team. The whole club feel that the team really deserve that perfect end.

Last Thursday the local club entertained the Acton curlers in a friendly game. The visitors were not too lucky on the score board as they only scored a total of 51 points in the eight games while the local club hung up a total of 69 points.

The return visitation is to be made on December 23rd. A Monday, when ten teams of mixed curlers will visit the tanning town to the west.

The Acton skips were: A.J. Buchanan, A.H. McKenzie, 'Bunk' Holmes, Mel Blow, J.H. Hoffnagle, W. Dubois, W. McKay, Claude Cook. The Georgetown skips were: J. Crutchton, J. Cornelius, K. Howat, D. Schenk, H. Chappel, D. Wingrove, M. Allison, L. Crichton.

Saturday the Legion took over the rink to run the division bonspiel with teams from the surrounding branches taking part. The Brampton team took the cup this year, after Georgetown held it for the past year. This is the third time in four years that the Brampton team has held the cup. Incidentally, all teams taking part in the spiel took home a prize, thanks to the generosity of the Georgetown merchants. Get full details in Dan Platt's Legion column of the winners.

As a special treat the executive are trying to book the new curling film "From Hook in House" into the rink shortly after the New Year. Take it from one who has seen this film, it sure is worth the time and effort to see the Richardson technique in action. It is also of special interest to the ladies as the skip of the Diamond D rink is also featured in the film.

REMEMBER Friday Turkey Night at the club. Be sure to be there and bring your friends. It promises to be a grand evening.
