**Subdivider Asks Reduction  
Of Performance Bond**

A requested reduction in an  
amount of the performance bond  
posted with the town during  
development of a housing sub  
division was asked of council  
Monday by solicitors for Bob  
Lone.

It was explained that much  
of the required work has been  
completed in the subdivision  
which is located on the old  
Clearydale farm north of Street  
125, one street east of an  
uncompleted subdivision. Mr  
Lone said he estimates the five  
to ten thousand dollars would  
cover the costs.

He suggested that the per  
formance bond be reduced to  
\$5,000 or that council take a  
personal covenant from Mr  
Lone to replace the bond.

While council decided to  
turn the request over to a  
committee for study, some  
councillors expressed the feel  
ing that a bond should be re  
tained in its entirety until the  
specifications of an agreement  
are met.

Others think that if a  
bond is granted, a complete  
plan should be required and  
this might be an advantage to  
the town.

**ONE YEAR TO GO  
BROWN RESIGNS  
SCHOOL BOARD**

STAN BROWN

A letter of resignation effective  
the end of this year was  
received by the Esquimaux  
School Board on Tuesday from  
Trustee Stanley J. Brown.

Mr. Brown has been a mem  
ber of the board for seven  
years and prior to that was  
secretary-treasurer of the for  
mer Dufferin Board.

A replacement will be appoin  
ted by the 1964 Board at the  
first of the year.

He said the system will start  
the movement of the  
trains will be located on  
the remote desktop control  
panels.

The whole project will re  
quire a thorough testing and  
pre-testing before it handles re  
gular freight train service.

Part of the signal cable nee  
ds to be 20 miles or 20 miles - ha  
bitla it can be viewed by  
been put underground by rail  
train dispatchers some about  
12 feet away at remote control  
panels. The push buttons to be  
line switches and those that

**Area Residents Lead  
Province in Electric  
Equipment Use**

Trains travelling in and  
through the Georgetown area  
will be seen in lights on a  
large track diagram (a  
sort of miniature railroad) so  
at some time in the near fu  
ture, according to CN official  
John C. Noel.

Mr. Noel said the George  
town yard and area will be part  
of the transfer of Hamilton  
Richmond Hill and Pickering  
which will be controlled from  
centralized Traffic Control  
in Vaughan Township.

This entire territory will be  
displayed on a large track dia  
gram 30 feet long, based on  
12 feet away at remote control  
panels. The push buttons to be  
line switches and those that
