DRAMA CLUB STAGED 'STAR SONG'

GEORGETOWN HIGH SCHOOL marked the season with a Christmas concert in the auditorium Friday when the school drama club staged the play 'Star Song', as their part of the program. In a scene from the play, Anne Hardy (left), the widow of a Roman General, speaks to her lady-in-waiting, (Yolanda Goudekting) and slave girl (Brenda Elliott).

Farm District Leads in Use of Electric Equipment

Farm customers in this area are leading the province in the amount of modern, labour-saving electrical equipment being utilized on their farms.

Electrical energy consumed on farms in this region is about 10,000 kilowatt hours a year on the average, much higher than in other regions of the province.

One of the sectors where the greatest increase in the use of electrical equipment is taking place in Central Region is the Brampton Rural Operating Area. In the past two months there has been much new equipment introduced such as stable cleaners, brooder installations, feed handling equipment, electric heating, etc. that would use about 386,150 kilowatt hours of additional electricity annually.

Additional hired hands New electrically-operated farm equipment not only is taking most of the back-breaking drudgery out of farming, but also is speeding up chores and equivalent to the farmer of having several additional hired hands.

for congratulated the Brampton Rural Operating Area staff for their splendid efforts in aiding farmers and explained the objectives of the program to bring more 'electrical servants' and assistance to farmers.

RIGHT CARE HELPS POINSETTIA DRIVE

Poinsettias develop "bloom" when the days are short and the nights are long. Short periods of night caused by periods of exposure to artificial lights, however, interfere with bloom.

Nights lengthen the day, and the plant continues to act as though it is summer. Maintenance of normal days and nights according to the seasons help time the plant mechanism to bloom during the holiday season.

Blooming period of plants already in 'bloom' can also be lengthened by keeping the plant away from artificial light at night.

'Bloom' of poinsettias is brightly coloured leaves that surround tiny cream white flowers.

Master Feeds Manager Heads Ont. Feed Men

Stuart Hall, manager of the Master Feeds Mill at Stewartstown, has been elected president of the Ontario Retail Feed Dealers Association.

The election took place at the annual meeting at the King Edward Hotel, Toronto, on December 4th. He has been on the executive for nine years.

Mr. Hall came from Oshawa a year ago to become manager when Master Feeds purchased the former Walter Lawson business. He is active in the Georgetown community as a member of the Lions Club and Canadian Legion branch, a Mason and an elder in St. John's United Church.

Return Mrs. Walker as Church Group President

At the recent election of officers, members of the W.A. of St. George's Anglican Church returned Mrs. Sam Walker as their president.

Other officers of the group include Mrs. Thomas Parry, vice president; Mrs. William Chaplin, treasurer and Mrs. Ken Ewles, secretary.

Father, to daughter whose date has just arrived "Mary Lou, come down. Some things here to see you."

It's almost Christmas.

Ask anybody. Ask the housewife, dashing about in the kitchen, cooking up plenty of food and goodies, for all the 'company' that is expected.

Ask the average father. Christmas is practically here and he has done very little (or none at all) of his gift buying. He's been visualizing the total cost of all the other packages that have been brought into the house and wonders if he won't have to find a place to hide come January 1.

Ask the children. They are 'wound up' tight as an eight day clock and it seems to them Christmas 'will never get here.'

Ask anybody. They'll tell you Christmas is almost here. Regardless of whether all preparations are made, all cards addressed or mailed, or whatever, just ask anybody . . . and you'll know.

Ask anybody. They'll tell you why Christmas is almost here. It's a feeling that comes to virtually everyone at this time of year. It is difficult to describe accurately, but it is a mixture of joy and warmth, of happiness and friendship.

Let's just call it the Christmas spirit — and hope that it is shared by all men, everywhere.

Erin, Georgetown Split Year's Soccer Honours

Fred Roberts

Thursday afternoon, November 28th, the Georgetown High School soccer team played to a 0-0 draw with the Erin Lions. The referee of play was Wolverhampton Wanderers, excellent although it appeared just a bit strangely at first. The bus soon settled down to a hard hitting, head-up game of soccer. The GHS boys had their steady and spirited play, several good scoring chances, but were foiled by a sharp six months in Erin and six in goals. The Georgetown at months at GHS, and so ends the season.

in it when star forward Jim Bowman was sidelined with a back injury.

The second half of play proved to be just as good as the first. A word of commendation is deserved by the Erin defense, as it, on several occasions, broke up serious scoring threats. Like the veterans, while the honours are being passed out, Georgetown's own defense, headed by Mike Pratt and Nick Atkinson, both deserve a fine hand for their steady and spirited play, several good scoring chances, but were foiled by a sharp six months in Erin and six in goals. The Georgetown at months at GHS, and so ends the season.

Boxing Day Holiday

Under the authority of a Resolution passed by Council, I am privileged to proclaim **THURSDAY, DECEMBER 26th, 1963** Boxing Day in the town of Georgetown, a legal holiday.

During this holiday season we urge you to exercise the care and courtesy while driving that will ensure a Merry Christmas and a Happy New Year for everyone.

MAYOR E. T. 'Ern' HYDE
