SPORTSMEN OUTDOORS

BY FRED DARBY

In some ways seem to be called for that I should end the old year saying about an other unnecessary incident in the outdoors involving young boys and firearms.

This incident was brought to my attention last week ago by a sportsman in the area. Because I like the name I will call him Fred. Fred, who has many other sportsmen in the area that have bounds and retrievers make great use of the area along the Credit River for exercising their dogs. This practice has been sanctioned by the Department of Lands and Forests.

On this occasion Fred had his dog in the safety of the woods. Fred was surprised and downright scared when a half a dozen boys, some of whom were wearing hats and carrying rifles, came crawling from the woods. Fred was not a sportsman in the area. He thought it was a strange party of the Daltons and the 4 Coy's had started their long days lead all over again. Upon arriving at the source of the gunfire, he discovered the boys were 16 and 15 years old. A grand time shooting at something or other. Fred could not see any game and a lot of tree branches dead leaves and flies and tin cans. When he approached the boys, they proved to be the sportsmen type. The other a little shorter and fat that someone had been out of his car and had a semi-automatic rifle. When their ages were given the officer and more birds and would not agree with the officer one who gave him a 15. After discussing the boys, Fred inspected the two firearms. He found one to be the present automatic, the other an older single shot and not good a shape. Fred gave both a lengthy talk on the safe and the safe handling of same. Both boys departed with their rifles, one the other boy had promised to contact one of the sportsmen Fred had mentioned to him, and left for the Hunter Safety Training course. The officer left with the look of concern for the whole thing and not only resentment because his fun had been spoiled.

This incident is not unique

Junior Hockey Puts Crimp In Juvies Tri-County Entry

The team that entered the Junior B Hockey League in the Tri-County entry last week, the Georgetown Juvies, are having a tough time of it to put it mildly.

It is by the NHL that took five last year in fact, and the formation of a Junior club that includes some players of Juvenile caliber. The Juvies have managed only 2 points in 11 games this season and have recently trail the rest of the Tri-County Juvenile League.

Good Season for Midgets, Have 9 Wins Against 2 Losses

Georgetown Midgets watched a 2-goal lead disappear as Milton came off the floor to register a 3-2 upset here Thursday night.

Georgetown leads the league with a 9 win, 2 loss record, but the Milton triumph put that club on Georgetown's heels in second place.

Bill Dwyer scored from Jan. Popeil at 7.55 of the first period, and Terry Hay scored from Arnold at 4.15 of the second and the game stayed at 2-0 until late in the middle period when, with two and a half minutes left, Forbes broke Milton into the scoring on a play from Marshall and Gervais.

Two Milton goals in the 3rd period sunk Georgetown. Brush from Weston at 16.05 and Marshall from Stickle at 17.09 were the combination.

There were 12 penalties — 6 to each team.

The success of the Georgetown Midgets this season has been the nicest surprise of the year to local hockey followers. Last year's Ontario champs, the Midgets were expected to slip a few notches this campaign due to the loss of a flock of most of their bright lights.

Improved play by those remaining, fine efforts by the Bantam grads, and the excellent coaching job being done by Gerry Inelus has taken up a lot of the anticipated slack.

Skating Party, Races Make Fun for Tykes
