

Thistles Even Score and Win Here Against Raiders

Fergus Thistles evened the score with Georgetown Raiders here, Friday by dumping the men-of-Murdock 6-4 in their first encounter of the season. Raiders were victors.

Thistles got a three goal performance from Krulick, who scored twice in the middle period and again, unassisted, in the third period.

Raiders extra held off the Thistles until late in the second period.

Thistles owned a 2-0 margin at the end of the first and a 6-2 spread after two.

Raiders threatened momentarily to scale the wall when they scored three times in succession, twice at the end of the second period and again to start the third, but another brace of Fergus scoring answered the rally.

Langdon from Weetle and Denny and Harper from Tip-pin and Krulick scored 7:22 and 7:49, respectively to start things.

Doble from Smith and the same pair reversed, piled it on at 4:02 and 5:31 of the second and then Krulick about

loose twice to score, from Tip-pin and Harper at 6:25, and Harper and Jefferson four minutes later.

First Raider bomb on target was Ross Cunningham's shot from Bludd and Richardson at 16:41—Bludd—banged in number two from Cunningham and Grasby with less than three minutes to go in the period.

Ken Richardson maintained the team's momentum, scoring at 3:22 to uncar the third period scoring. Dale Sedore and Grasby helping out. But the draw was made a couple of weeks ago and the winner was

later when Smith potted his second of the night from Doble to make it 7-3. Krulick's goal at 8:32 and Bud Vary's from Sedore and Cunningham at 18:55 rounded it out.

Raiders play the first of three games in four days tonight when they travel to Elora. They are in Erin to play Cheltenham Friday night, and Sunday afternoon at 2 o'clock they face off with Orangeville in Georgetown Memorial Arena.

ICE CLUBS: Raiders' lucky draw was made a couple of weeks ago and the winner was

Art Maybanks of S. Riverview Crescent with ticket No. 80.

Fire Chief Bob Bonfield had just damped the stove before leaving the shed to clean yard switches moments before the blaze. He said he noticed one of the men running toward the shed and looked up to discover the smoke.

Firemen poured water through a hole in the roof to douse the fire. The damage was held to approximately \$500.

The shed, opposite S & S Hakelie, contained tools and a CN work foreman told
