

SPORTSMEN OUTDOORS

BY FRED DARBV

- Ice fishing seems to be a little slow this year, as yet, I have heard of no good catches. On three different trips to the Huntsville area, local fishermen had two small perch to show for their trouble.
- Rabbit hunting have showed better results for time spent in the outdoors.
- For the benefit of hunters, especially the younger ones, and those new to this sport, I pass on some general information.
- A hunting licence may be obtained from a licence issuer or by one of the following methods: (1) By presenting a previous hunting licence; (2) By signing a form 14 to the effect that the applicant has held a previous hunting licence but have lost or misplaced it; (3) By presenting a co-operative card that has been obtained by passing a Hunter Safety course.
- The minimum age limit for the holder of a hunting licence is fifteen (15) years old. There are several townships in the adjoining counties that have special by-laws regarding the discharge of firearms, so check with the township clerk for up-to-date information on those by-laws.
- Hunting and trapping is prohibited in Crown Game Reserves.
- A rifle of greater calibre than .216 is not to be carried or discharged in the Lake Huron district with the exception of Bruce and Grey counties.
- It is illegal to use ferrets to hunt game.
- Hunting parties are restricted to twelve (12) hunters or less.
- Loaded firearms in a motor vehicle and hunting at night are serious offences and convictions on these counts bring heavy fines and the seized firearms are seldom returned.
- These are but a few of the regulations. For further information a copy of the Game and Fish Act may be obtained by writing to the Department of Lands and Forests, Fish and Wildlife Branch, Parliament Bldg., Toronto, Ont.

CRIPPLED KIDS WERE WINNERS WHEN EAST MET WEST ON ICE

Georgetown Beavers' best marksman, Jack Gudgeon, scored 1,000 hockey fans jammed into the Lakeshore Arena, why he belonged on the Metro Junior B Western All-Stars at 12:30 of the final period last Wednesday night.

In a picture play the stocky blond centre faked a shot to draw East rearguard Wayne Cheeman of the Whisby Dunlops out of position then blasted a shot that fooled Neil McNeil's Duffy Lewis in the East All Star net for the Western Division's third goal.

It was the final goal of the game that the favoured Eastern Squad captured 6 to 1. Proceeds of the ninth annual exhibition of stars were donated to the Ontario Sportswriters and Sportscasters Association for their work with the Ontario Society for Crippled Children.

Prior to the start of the third period OCA vice president Gord Walker accepted a check for \$500, partial payment of the game proceeds.

Georgetown was represented on the Western squad by Gudgeon, a centre, and winger Merv Marshall.

Both played well enough to prove worthy of the honour. Coach Danny Lewicki used Gudgeon on a line with a pair of Brampton 7-Ups, Steve Corlett and Bob Black flanking Marshall was matched with Western Islanders ace Archie Yerkiv, and Dave Parham. On three occasions Lewicki led a line made up of Marshall, Gudgeon and Black.

The Georgetown centre missed being the West best by an inch. With 7 minutes gone

Meet the BEAVERS

by Fred Darby

Jack Gudgeon is a steady player and plays a heads up game every time out. In a losing cause last week playing for OHA Metro Junior B' Western All Stars, Jack scored the third and last goal for the west team. In the eyes of this writer, Jack was one of the stars of the western team, playing a sound game every time out.

The Beavers next home game is tonight, when the Dodgers from Weston supply the opposition. This game may be your chance to see the future Canadians play the future Maple Leafs.

CURLING HATTER

by Bob MacArthur from the

North Halton GOLF and COUNTRY CLUB

The provincial playdowns have started. Last week two teams competed in Brampton for the right to continue on for the top honors in the Tan-kard competitions. The skips of the rinks were J. Crichton and S. H. Phillips. They were eliminated from further play.

This week, two teams headed by H. Chappel and W. Schenk are competing in the Governor's General playdowns at Bayview. And on Monday, the start of the British Consols will be played in the local club.

The ice has been particularly keen the past week and it has meant the games have improved. Last Thursday evening three of the four late games ended in tie scores.

A number of teams sure got fooled in the time of-play these last two weeks in both sections when the Games Committee switched the times on the schedules. But I'll bet the skips read their schedules more carefully from now on.

A number of teams have been competing at outside bonspiels lately. No report of prizes being brought home, but then prizes are not the only benefits to be derived from curling.

Speaking of prizes, that sure was a pretty grim show of sportsmanship displayed by the two top teams in the West when they agreed to split first and second prizes before curling for them. The names of Richardson and Gervais did not gain in stature by the agreement. Thank heaven all curlers are not of that type. They curl for the enjoyment of the game and the prizes are only incidental.

Pay as you play for non-members of the club is being inaugurated at North Halton. The fee is small, and it will make it possible for those who have not curled before to try out the roar'n' game without feeling any obligation to the club. It is the hope of the club that new curlers will be enticed with the game and join the club to become regular curlers. The pay-as-you-play is only in effect on Sundays and does not affect members of the club who wish to curl that day. It is a case of first booked gets the use of the ice.

"Our BOAC Travel Agent makes us feel like the family of the year!"

I told my BOAC Travel Agent, "I've got a problem." He replied, "I've got four of my own." I asked him about Baby's passport. "I'll look after that," he said. "What else can I do for you?"

Feeding bottles? "The Stewardess will sterilize, and warm them." Baby foods? "Just ask for soups, fruits, eggs, orange juice." He told me all there was to know about flying with a baby. Then he reserved a Skycot for our flight. And gave me a booklet packed full of useful hints.

As my husband said, we got Baby off to a flying start—thanks to our BOAC Travel Agent!

"It's called 'Baby As A Traveller'." Ask your BOAC Travel Agent for your copy, free.
