

United Church Women Meet Plan Program of Activity

The first general meeting of Hogan, Recording Sec., Mrs. St. John's U.C.W. for 1964 was held Wednesday evening, Jan. 15, in the church hall. Mrs. L. King, the president, opened the meeting in prayer. The Devotional period, conducted by Unit E, was opened with a hymn followed by various scripture readings from the Bible suggesting that people must work and persevere towards a goal, doing more for the church. A solo by Mrs. Grady concluded this portion of the meeting.

"Open Door," a New Year message, read by Mrs. MacArthur, told of the challenge in people's lives, and in the nation, so that they must give their lives toward a more prospective goal for the future.

Various annual reports, read and submitted by the committee chairmen, showed the efforts had been put forth with encouraging results.

Leaders were encouraged to stand a "Leadership Training Day" at Applewood Heights U.M.W. Church, January 22nd.

The following is the 1964 executive: Honorary President, Mrs. Ian Fleming; Past Pres., Mrs. Alex Reader; Pres., Mrs. Lee King; Vice Pres., Mrs. R. U.C.W.

Economies For January Home Sewing With Spring in Mind!

A report on the Hockley Valley School of Fine Arts, of which the local group is one of the founder patrons, showed that the initial courses had been most successful and greatly enjoyed by those who took them. Plans for expanded courses for the coming spring and summer and expectations of a greatly increased enrolment would indicate that the school is off to a good start.

The program for the afternoon was provided by Miss Adelaide Lamb-Muller who, after an introduction by Dr. Vicki Zavitz, entertained her fellow members with a witty and light-hearted address on "The Light-hearted Approach to Potting".

Assisting Miss Preece with refreshments after the program were Mrs. H. Beasant, Mrs. Daphne Lingwood, Mrs. W. Ho and Mrs. W. Healy.

Coloured Slides Give View Of Town's Flower Gardens

Members of the Georgetown Horticultural Society were given a backward glimpse of some of their 1963 flower gardens at their annual meeting held in the Howard Wrigglesworth Public School last Wednesday evening.

J. L. Colter, one of the directors, had assisted members during the year in photographing favorite garden specimens and arranging these as a collection of coloured slides, in addition to others received on loan. This made an interesting winter entertainment for those present and revealed how the beauty of Georgetown gardens portrayed on coloured slides can be the equal of views taken elsewhere.

H. J. Herder, the chairman and 1963 president, reviewed the work of the year and J. N. Bird as secretary-treasurer gave the financial report. Part of the meeting refreshments were served by the Social Committee.

Backfire, Not Careless Shot Cost Sight of Georgetown Man's Eye

A malfunction of a shotgun resulting in a "backfire" resulted in a Georgetown man losing the sight in his left eye.

The third was Georgetown's best period. They counted four goals starting at 7:15 when Preswood took English pass and scored Korzack unaided, Preswood also unassisted, and finally Davies from Wiles and Tomlins rounded out the goal scoring.

Jim Richardson, 20, formerly of Norval, and now living in Brampton had a charge of careless hunting dismissed.

John St. E. was injured in a pheasant hunting accident near Norval, October 18th.

Bill testified in court his 12 gauge shotgun "backfired". He denied he was hit by shotgun pellets fired by his brother, Magistrate H. T. G. Andrews dismissed the case for lack of evidence.

Superb Acton Goalie Avoids Double Figures

Georgetown PeeWees engaged Acton in tannery town last week in an off balance contest that saw Georgetown thwarted from double figures by some superb goal guarding.

As it was Georgetown managed 7 markers while giving up just 1.

Korzack got assistance from McNally and Armstrong in opening the scoring. Tomlins from Wiles and Davies and McNally from Korzack and Fowler extended it to 3-0 before Acton

Grimbsy Ice Soft Locals Lose 2-1

Georgetown PeeWees will be out to equal the score with Winona when they play the peninsula town team here this Sunday at 3:30.

Down in grapeland Monday night the locals played well but lost 2-1.

The game was played on Grimbsy ice - in use the term loosely. Pond was the term a PeeWee official used in describing it.

Nevertheless, Tomlins managed to score Georgetown's single goal from Wiles and Davies.
