Knox Church is Planning New Organ Installation

Members and adherents of Knox Presbyterian Church heard reports of a successful year from all groups within the church at the Annual Congregational Meeting held Monday evening, January 27.

The Rev. F. N. Young opened the meeting with a short devotional period and then on motion of Mr. Robert Lane and Mr. William Cromar was appointed chairman for the business meeting.

Members of the various youth groups reported some of the highlights of their year's activities and the printed financial statements of the Women's Organizations were read with interest.

The Treasurer, Mr. J. E. Fenning, in presenting his Financial Statement urged the members to use the weekly offering envelopes to give systematically to the work of the Church. It was pointed out that the new organ being built by the Keats Organ Company will be ready for installation sometime in June, if commitments are to be met. Mr. Robert Lane and Mr. W. Geggie were re-appointed co-chairmen of the Organ Fund Committee.

Mr. George Couling and Mr. Frank Brown were reappointed to the Board of Managers for a three year term and Mr. John Lenz Jr. and Mr. John Colter, new members to the Board, were also appointed for three years.

The resignation of Mrs. Jessie Wilcox, Envelope Steward for a number of years, was noted with regret and appreciation expressed for her excellent service. The resignation of the caretaker, Mr. Butler, was also received with regret. His hard work over the years, on behalf of the congregation, was very much appreciated.

The Auditors for 1964 are Mrs. William Cromar and Mr. Sam Mackenzie. Mr. Robert Lane was appointed to the Board of Trustees joining Mr. Herbert Cleave and Mr. William Cromar.

Mr. J. E. Fenning was reappointed Treasurer and Mr. Sam Mackenzie expressed to him the appreciation and indebtedness of the congregation for his excellent work.

The meeting adjourned and refreshments were served by members of the Women's Association and the Knox Ladies' Auxiliary.

residents of a larger area on both sides of the Check Line will be attending Georgetown High School, but the residents of Ballinafad and Silver Creek areas will be attending Acton High School.

The by-law also states that senior students now enrolled will have the option of finishing their education at the school of their choice.

The last time the by-law reached the County Council, Milton was opposed, but now all three High School Boards, and councils, are in accord. The by-law lacks only the signature of the Minister of Education to be final.

This by-law does not affect the setting up of a Consultative Committee to study the whole question of schools in the area.

High School Boundaries Set by County By-Law

The proposed high school boundary changes, which caused a furore last year when suggested, were incorporated into a by-law and passed at Halton County Council Tuesday afternoon.

Three to Hospital in Accident on 7th Line

A North Halton Police officer and his wife were injured and a 15 year old Oakville boy was admitted to hospital Saturday night following an accident on the 7th Line of Esquesing involving three cars, one of them from Georgetown.

A car driven by Joseph Gutoski of Oakville was southbound along the 7th line when the driver lost control and it slid into a ditch. George Gutoski, son of the car owner, got out of the car to warn other traffic of the obstruction.

At this point OPP Constable Dave Richardson, who was off duty, was driving south accompanied by his wife. He stopped ahead of the Gutoski car and was about to step from his car when it was struck from the rear by a car driven by Roland Awrey of Georgetown.

Police explained that the Awrey car struck the Gutoski boy and then veered into the back of the Richardson car. The Oakville boy suffered leg injuries.
