

CURLING HATTER

by Bob MacArthur from the

North Halton GOLF and COUNTRY CLUB

This week has been one of the busy ones for the club. On Monday it was the annual meeting of the directors, so curling was cancelled. On Tuesday, the club returned to the Hillsburgh club to visit a club that they had visited earlier in the season. And on Thursday, the 20th, the curling club will be visiting the local club.

The second schedule of the men's draws will end Friday evening and the play-offs will get underway next week for the Labatt cup.

There were only two draws in the Langdon Cup draw at the club Saturday. The reason probably that three draws could not be filled is that it must be a husband and wife combination. So many members of the club are ineligible as only the wife or the husband are curlers and they are unable to curl separately. This is the only blemish in the schedule that calls for a couple entry.

Since the snow last week, quite a number of the younger people and some not so young, have been enjoying tobogganing and skiing on the hills of the golf course.

Since the sign went up early in January, the name badges for curling sweaters, a total of 48 have been ordered. The last bunch of 18 will probably be delivered the end of the season. These are most attractive badges.

Here are the standings of the men's second draw to February 6th:

Crichton-Reburn Rink is Winner of Langdon Trophy

The Langdon Trophy was competed for at the North Halton Club on Saturday, February 8th. The winners of the trophy were the team skippered by Lloyd Crichton with Jean Crichton, John Reburn and Lois Reburn throwing the lead rocks. This team won three games in the 9 a.m. draw and had a higher point total than the three game winner in the 11 a.m. draw. President of the Board of Directors, Jack Crichton, presented the trophy.

The winners of the 9 a.m. draw were: three game winners: Lloyd Crichton and his team, who won the trophy; two game winners were Jack Crichton, John Reburn, Art Scott and Myrt Scott; the one game winners were the team of W. Schenk, Verma Schenk, Leo King and Ina King.

In the 11 a.m. draw the three game winners were the team of Graham Farnell, Irene Farnell, Jack Paris and Marie Paris; the two game winners were Harry Chappel, Jean Chappel, Don Powers and Earl Powers. The one game winner was the team skippered by Ken Howatt, with Madeleine Howatt, Harry Sanderson and Mable Sanderson.

At the end of the curling a dance was enjoyed by the members in the club house to wind up the day.

TYKE HOCKEY

So finds two rounds of the schedule with one to go and I guess you would say we only had the usual amount of beefs. For the next round we are going to crack down on rough play and start calling penalties, so boys, be on your best behaviour.

We are hoping to have some pictures taken this week, so keep smiling.

More trouble from that notorious eight-ender of the Chapel rink. Last week the Canada Dry Company forwarded framed certificates to the curlers and with the certificates came two badges to be attached to the curling sweaters. The certificates give the player's name and also the membership number of the rink and the position that they play.

Here is a poem for all non-curlers to recite in about two months' time.

The Curler's Return
Who's the stranger, mother dear,
Look, he knows us - ain't he queer?
"Hush my own, don't talk so wild
He's your father, dearest child."
"He my father? Not at all,
Father died away last fall."
"Father didn't die, you cub,
Father joined a curling club."
But they've closed the club, so
He has no place to go, you see;
No place left for him to roam,
That is why he's coming home.
Home to see his family,
Which for months he wouldn't see.
Kiss him - he won't bite you child,
All these curling bugs aren't wild."
- From Col. Herbert J. Mackie's Christmas Card (1941).

Gudgeon, Campbell Goals Bright Spots, Beaver Hockey Game

The team that surrendered the first point of the Junior B Beavers' hockey season back in November - the Lakeshore Goodyears - haven't been nearly as benevolent in succeeding meetings with the Metro Junior B leaders. On Friday night the blueshirts' bombers treaded heavily on Beavers' outstretched palm and left, contributing nothing to their opposition's starving morale but another bitter 7-2 that the Beavs have become accustomed to swallowing.

Lakebours, of course, threw seven pucks into the Georgetown net without a second thought - but every ebonny disc dragged the hapless Beavers closer to the unenviable record of having absorbed 250 goals in a single season.

High now, despite their determined attempts to battle a strong current in the rubber river (that is flowing at them from every club in the Metro Eastern and Western divisions) they are 222 pucks downsteam with a half a paddle for comparison. In second place, has allowed 29 goals. M. Akiyama spearheaded the Lakeshore with two goals. The club's live were spread over Marshall, Smith, Muni Hoff, Matt, Turner and Forsdyke.

The Beaver markers, both of them rebounding from hard, unrelenting scoring tries, were potted by Jack Gudgeon and Bill Campbell.

Lakeshore owned a 20 bulge at the end of the first period but had their troubles getting off the mark. Beavers' back checked with authority throughout the initial period so the Lakeshore start was delayed until 14:07 when Marshall tackled Field's centering pass behind Robbie Irons. Two minutes later Smith lifted a puck that fouled Irons and the wall crumbled.

Johnston fed Hoffman for the Lakeshore goal that opened the 2nd period. At the halfway mark the Goodyears opened by scoring 4-0. Turner converting Muni Hoffman's trail-er pass into another notch on the scoreboard.

Overtime Decides Champions As PeeWees Win Tri-County

On Thursday, Feb. 6, in a cliff hanger of a game that went to 10 minutes overtime, the Georgetown Pee Wees defeated Preston 4-2 and won the series 3 games to 1 to claim the Tri-County Minor A Pee Wee championship.

Preston opened the scoring early in the first period as this was a must game for them. Jacques scored from Gurnham at 3 mins. In the second period Georgetown went ahead on goals by Inglis at 2:10 and Korzack from McNally and Chapman at 10:15.

In the third period Preston went all out with Georgetown holding on to a goal advantage and finally Preston got the equalizer at the 13 minute mark.

The overtime period showed Georgetown to advantage with their better balanced lines. McNally from Korzack and Dren-tera put the local ahead 3-2 and at 7:45 Korzack from McNally and Fowler put the game on ice by a 4-2 score. Congratulations to the team on their solid performance and to Blake Inglis and Harold Seckington for their excellent job.

Wayne Watson, a frequent absentee member of the Beavers, sent Jack Gudgeon away on the sprint that produced Georgetown's first goal. The Western Division All-Star let the fast rising shot go as soon as he hit the Goodyear blue line and it surprised goalie Ab Smith whose covering move was way late.

Lakebours got cooperation from a suddenly uncertain Beavers defence in punching in goals 5 and 8 in rapid succession. Mordy's weak attempt was partially fanned on it in trying to direct the rebound to a team mate, and Akiyama was left alone by the rearguards when he took three quick shots from short range before putting the first of his pair seconds later.

Each team scored once in the chippy final frame. Akiyama was played carefully by Irons and Turner was Lakshore's suited up.

Bob Demerise talked twice for Raiders and the other goal was George Gray's. Capburn, Mellon and Bolzon scored the Acton markers. Goals came easy in the first period when Georgetown leaped into a 4-1 lead. Acton outscored Raiders 2-1 in the middle period to make it a respectable 5-3 entering the last stage. Finnigan scored both third period goals.
