

# Elect Mrs. George Hewson Hospital Auxiliary Head

A highlight of the annual meeting of the Georgetown District Memorial Hospital Auxiliary was the handing over of two cheques to John T. Armstrong, who represented the hospital board.

Mrs. H. Monckton, convenor of the auxiliary gift shop in the hospital handed over \$1,200 and the president, Mrs. Walter Pope, presented a cheque for \$500 from the general fund.

Mrs. Armstrong accepted on behalf of the board and expressed their thanks and appreciation.

Another pleasant evening took place when Mrs. G. Hewson presented Mrs. Pope with the past president's pin and paid tribute to her for her faithful service as president over the past two years and her untiring efforts for the good of the auxiliary. Mrs. Pope was also given a cup and saucer as a memento from the auxiliary members.

Mrs. May Wind made this presentation. The business meeting was conducted by Mrs. Pope, who presided with the auxiliary prayer. The minutes of the January meeting were read by Mrs. J. Graham in the absence of recording secretary, Mrs. Marie Bodnar.

Each member of the auxiliary received, with her bulletin, copies of the committee reports for the year. This dispensed with the time consuming reading of these reports at the meeting.

The members were also given a printed copy of the financial statement for the year ending Jan. 31st, 1964, for both the auxiliary and the gift shop. The meeting was then turned

# OPERATION FLOW Jaycees Promote Pen Pal Idea for Local Students

Cracks continue to appear in the cement of friendly relations between countries all over the globe but the Georgetown Jaycees are doing their bit to offset this.

Their project of international friendship is "Operation Flow" a Jaycees International idea that is being pushed locally by Oscar Morgenstern who heads the Georgetown end of the operation.

The Jaycees hope Operation Flow will do much to create new friendships through correspondence.

Application forms have been distributed to all Georgetown public schools, Holy Cross Separate School and the High School offering all pupils between the ages of 8 and 17 the chance of establishing pen pal links in countries of their choice. A list of countries is included on the application and local children applying can tick off one or more depending on how much time they want to spend writing letters.

Applications from Georgetown will be forwarded to the Canadian Junior Chamber headquarters and then to international headquarters where the applications will be dealt with and matched with others from various countries.

In a matter of weeks the Georgetown applications will have the names and addresses of their assigned pen pals.

The recent membership drive climaxed in the "Get Acquainted Nite at North Halton Golf and Country Club" is just now showing its effect. Thirty guests have filed forms saying they are interested in learning more about the organization and five have become members.

An effective speaking course got underway February 5th. Bob Burke, who is conducting the course is well qualified for the job, being a graduate of something like three such training programs.

# Local Ladies in Cast Brampton Players Show

Two local ladies, Mrs. Joyce Van Laeuwen and Mrs. Beth Sewec will be members of a song-and-dance chorus line when the Brampton Players present "Spring Crack-up" at the Norval Riviera on Friday, Feb. 28.

The show, patterned on the successful Spring Thaw, and somewhat similar in format to the reviews which Georgetown Rotary has been presenting in the past few years, pokes fun at such problems in the neighbourhood as rusty water, traffic congestion and parking.

Star performers include Gwilym Evans, soloist who has appeared at many functions in town and district and Gwen Little, prominent Canadian singer.

Initially asked to contribute a couple of pieces in the "show" Times and Conservator editor Bill Dool ended writing the whole script. The chorus is directed by Lenora Francis, who, with her husband, held the Canadian championship for ballroom dancing for 8 years.

The Riviera evening is a double header. Following the performance the audience can dance to the music of the Harvey Smith orchestra. Curtain time is 8:30 sharp.

# OUR ENERGETIC LADIES Saturday, February 22, marks the start of the Ladies Auxiliary Dance. The proceeds from this shindig help pick up the tab for the ladies sports program, a large undertaking. Tickets are on sale at the bar.

Some of the ladies at the dance should be limbered and loose or tired or both because Saturday afternoon the girls will be curling balls at the Zone Bowling Tournament at Port Credit. At this point a word of caution to the ladies to keep their pinkies from between the balls on the ball rack and keep the balls off the toes. Swollen pinkies are no good for curling and swollen piggy are no good for dancing.

50-50 DRAW  
Lucky winner — Jim Dobbie  
Lucky Seller — Bob Williams

# Fashion Show Displays Ingenuity in Designs

The hard working group of parents and teachers who made the costumes, then modelled their attractive creations.

Metallic dress by Susie Gitter, made and modelled by Nancy Norrie; Housecoat, by Margo Blackhorse, made and modelled by Hazel Gorin; Drape Dress, by Lilly Drapashape; made and modelled by Kay Butler; Cotton dress and straw hat by Ginny Mills; made hat by Arnold Carton made by Cole; Plunging neckline, by Al Plumber, made and modelled by Ada Enman; Print dress with spring hat and shoes by Dorothy Post; made and modelled by Eileen Deane; Pin striped suit by Piny Stripe; made and modelled by Sylvia Brown; Box coat and pill box hat, by Arnold Carton, made by Audrey Millward, modelled by Glen MacLaughlin; Brushed wool dress, by Mary Be Bar, made and modelled by Evelyn Unsworth; and finale, My Sin by Shandy Lill, featuring over whelming applause as Joan Bilk modelled in short light skirt and sweater, chewing gum frantically and pushing a baby in a stroller.

There were ample refreshments provided under the direction of social convener, Mrs. R. Ballentine.

—Mr. M. Lovell, president and all the committee of the Georgetown Home & School Association extended a thank you to everyone who made the evening so enjoyable, the local business and all the people who attended the social night. They hope we can make it an annual event.

# THE MAIL BAG Claims Householder Water Bills Subsidize Industry

31 Byron Street,  
February 20, 1964.

To the Editor,  
C.C. Mayor Joseph Gibbons,  
Gentlemen:

I submit to the taxpayers, homeowners and tenants of Georgetown a condition which exists in regard to payment for our new sewage plant.

How this new plant was to be paid for was given in a directive from the Ontario Water Resources Commission and read and discussed at several council meetings in 1962, namely April 23rd, June 4th and August 27th.

According to the ruling submitted by this body and read in council session, 50% of the cost of water used by either industry or the home owner was to be paid extra to go for sewage purposes.

It was definitely stated at the August 27th meeting by the Mayor that the onus was on the industry or homeowner to establish by metering what they claimed was not being returned to the sewers.

The metering was raised as to the homeowner using water for lawns, car washing, etc. that would not be returned to the sewers and it was ruled they would have to have a meter on outlets used for these purposes.

In spite of this ruling, council has had the audacity to make allowances to industries in this regard and without metering to the extent of only 5 to 15% of the water they have used.

This, in effect, is calling upon the homeowner to subsidize industry in the cost of the sewage plant. This is manifestly unfair as industry enjoys a much lower rate for the water it uses.

This has been brought to the attention of the OWRM who politely and as usual passes the buck back to council and lays it in their lap. This would indicate that this commission is just another useless creation of government and could well be dispensed with.

As to the council, if this action was sponsored by members who are associated with the industries receiving these concessions, it would appear there is a form of conflict of interest to the taxpayer which both should remember at the next municipal election.

The present council should rectify this condition at once.

Resident of Georgetown should read the article in the Toronto Daily Star, Saturday, February 14th, pages 1 and 9, which deals with "Conflict of interest laws" pertaining to practices in municipal councils.

Yours truly,  
Ed. A. Peters

# Local Ladies in Cast Brampton Players Show

The Riviera evening is a double header. Following the performance the audience can dance to the music of the Harvey Smith orchestra. Curtain time is 8:30 sharp.

# Norval Resident Served Overseas with 164th in World War I

On Tuesday, February 11th, Herbert H. Hunter died at his home in Norval. He was the second son of a family of seven, his parents being the late Hubert Hunter and Phoebe Ostler of Norval. He was born in Priceville 68 years ago and moved to Norval with his parents around the age of 3. He was a resident of the village ever since except for two years overseas during the First World War when he spent 18 to 1918 with the 164th Battalion. He was wounded in action and lost one lung.

He attended Norval School and was employed with the Georgetown Lumber Co. from 1938 to 1958, being semi-retired for the last six years. He attended Norval United Church.

He is survived by his wife May Breen, 1 son William and three grandchildren, Rick, Wendy and Debbie; three brothers and two sisters, Stanley of Hollywood, Florida; Tilly (Mrs. M. Monk) Toronto; Nixon of Chicago; Raes (Mrs. W. Davingo) Sheraton; and Clarence of Chicago.

He was predeceased by one brother Andrew of Glen Williams who died in February of 1962.

The funeral was held at the McClure Funeral Home, Georgetown, on Thursday, Feb. 13 with Rev. Lloyd N. Freese conducting the service.

Flower bearers were Bert Borst, Alvin Clarence Ostrander, Huttenville; Bert Carnoy, Norval; Hardy Barnhill, Norval; Norman Fendley, Norval and Arthur Ford, Acton.

Flower bearers were Pat Mulligan, Toronto; Jim Mulligan, Toronto; Jack Davidge, Sheraton; Clarence Davidge, Ridgeway; Lloyd Waddell, Rockwood; Wilfred Breen, Georgetown and George M. Smith, Georgetown.

Interment was in Hillcrest Cemetery, Norval.

# Peacock School Scare Calls Local Firemen

Senior public schoolers gambolled in the snow and smaller pupils took shelter from the elements in parked cars while Peacock School on the 7th line north of Ballinacred belched smoke Friday morning.

The fire which was checked before any serious damage resulted came about when papers dropped through the huge floor register in the one-room building were ignited by the furnace heater jacket.

The pupils fled from the school in an orderly procession, followed by their teacher.

Although out of the Georgetown fire area, Peacock school drew a truck and men from here because there was some confusion. The call was turned in here for some reason.

Fire Chief Erwin Lewis explained, "and even though it's not in our area the caller mentioned that it was a school and that was all we needed to send aid. In a case like this it's best to check the fire first and worry about boundaries later."

Peacock school is in Erin Township and the Acton Fire Department area. The Georgetown truck left when Acton arrived.

## Sunday Valentine Tea for Catholic Women's League

Red cupid and hearts was K. Good, Mrs. R. Hulme and the traditional colour theme Mrs. T. Hewitt. Assisting the used to decorate the auditorium ladies were Mrs. T. White, Mrs. G. O'Dwyer and Mrs. E. Baxter.

Mrs. R. Secord in charge of decorations had covered the tables with red and white table cloths adorned with contrast streamers, place mats and flowers.

Pouring tea for the guests were Mrs. G. Walker, Mrs. J. Persons, Mrs. E. Heene, Mrs. E. Carney, Mrs. S. Hulme, Mrs. E. LeBlanc. Serving the cookies and sandwiches were Mrs. playing in the background, added a final touch to the social afternoon.

Mr. Herrington, who took on the job last year on a part-time basis, explained that he is doing his best under the arrangement he has with the town. He suggested it would help if he were empowered to issue summons to owners of offending dogs.

The problem was turned over to the administration committee, who will meet again with Mr. Herrington this week to seek a solution.
