

# Beavers End Black Season With Markham Match Friday

Georgetown Beavers led Etobicoke for two periods and then through lack of bench reserve, ran out of gas and finally succumbed 6-3. McGuinn of Etobicoke scored the hat trick while Bill Campbell paced the Beavers with two.

The game was only 40 seconds old when Campbell took Riddall's passout from behind the net and fired a screen shot to the short side. Thirteen minutes later with Etobicoke playing five men to six, Selby took Maybury's pass and went right in before passing to Watson, who flipped the puck into the uncovered goal. The first period ended 3-0.

Etobicoke scored two in the second to narrow the gap, as McGuinn and Greshko blundered the night. McGuinn scored his second at 3:01 of the third period as Irons juggled the shot and the puck hit the cross-bar and dropped in. Nichols scored the go-ahead goal by flipping the puck over goalie Irons who had falled two previous shots. Eason and McGuinn put the game on ice for the visitors as the final score was 6 to 3.

One important incident occurred when Cillon of Etobicoke received a match penalty for crossing Wayne Hiddall who suffered a broken

nose, at 19:10 of the third period.

By receiving a match penalty Cillon is automatically suspended until a hearing is held, at which time a ruling will be handed down as to how long the suspension will last.

ICE CHIPS - Goalie Robbie Irons again starred as he stopped 35 of 61 shots. The crowd was approximately 220 strong and it is hoped this number is doubled for the last scheduled home game against Markham on Friday, Feb. 21st.

After their season is officially over, Beavers play an exhibition game Friday, Feb. 22 against Swiss Chalef, Toronto's top juvenile club and a farm club of the Detroit Red Wings.

# Moot Auxiliary Police Force as EMO Measure

It's not in the immediate future but Georgetown will probably have an Auxiliary Police Force to bolster the present force in cases of emergency, handling heavy concentration of traffic, and large crowds it was learned yesterday by the Herald.

Emergency Measures co-ordinator Bruce Macgregor said the EMO and police chiefs from municipal forces throughout the county met recently and talked over the scheme which would establish EMO units of auxiliary police which would wear the uniforms of the department they would work with and take their orders from the department chief.

Macgregor said that because of the size of the police force in the North Halton area, Georgetown, Acton and Milton, the training of the men for the auxiliary force would be handled by a special training

## Streetsville Lady Leads Day of Prayer at Norval

The annual World Day of Prayer was held in the Presbyterian Church on Friday afternoon, Feb. 14th, with Mrs. Andrew McClure, president of the Presbyterian WMS acting as leader.

The theme this year was "Let Us Pray" and the very effective service was prepared by a French woman, Dr. Madeleine Barot.

Mrs. H. Stewart of Streetsville was the guest speaker and spoke on the theme of the service. Those who attended will not hear these simple words again "Let Us Pray" without thinking of her inspiring address. During the service Mrs. Harold McClure sang a solo, "Take Time to Be Holy". Mrs. R. Crawford and Mrs. John V. McClure took up the collection. Others from the Presbyterian Church taking part in the service were Mrs. Ilyatt McClure, Mrs. Florence Brown, Mrs. Tom McGee, Mrs. John M. McClure, and Mrs. Craig Reid.

Ladies from the Anglican Church taking part were Mrs. Al Norton, Mrs. E. Trimmer and Mrs. H. Smellie and from the United Church, Mrs. Jack May, Mrs. Bill Laidlaw, Mrs. E. McLean and Mrs. John Doane.

Those who attended this meeting went home feeling glad that they had been there.

As each group of women followed this same service, in their native language, in the various countries of the world, one service will be beginning as the other ends all during the 24 hours. Although the group you attend may be small you get a

feeling of being caught up in a powerful movement. As you think of all the other women from all the other countries repeating the same prayers, you know that the familiar verse from a favoured hymn is true.

As over each continent and island, The voice of prayer is never silent.

Nor does the strain of praise away.

Make a note to join in this world wide day of prayer next year and not miss a real opportunity to join in prayer with other Christian women all around the world and to help in the many worth while projects supported from the givings of this one day.

### A Good Start For '64

In Georgetown there has been only one Fire Call (car fire) since December 30th, 1963, which is a very good record; but the Fire Dept. is always hoping for a longer fire free period, and we feel that at this time of year, after our heating equipment has worked so long and hard, it is wise to have furnaces, stoves, stove pipes and chimneys checked by a proper serviceman and to extend our respite from fire.

The Fire Dept. thanks everyone for doing such a good job and let's all continue the good work!
