School for Deaf Functions Explained to Business Club

Miss Jean Mackenzie presided at the regular monthly dinner meeting of the Business and Professional Women's Club on Monday evening, in the McGibbon Hotel. During dinner three speakers on a tape recording of the 'Careers Preview' program which was held on the 12th of February at the High School. The other three will be played back at a future meeting.

Mrs. Jean Rundle gave a full report of the Careers Program during the business portion and gave some recommendations that would be helpful to the planning of such a program in the future. Mrs. Ada Wilkinson reported on the inter-club March meeting with Mrs. Ethel Munture as the speaker. This meeting will be held at Stan's Restaurant since quite a large crowd is expected to attend.

A nominations committee was appointed comprising Mrs. Chra. Hornby, Mrs. Elizabeth Buck and Miss Marion McKean. It is hoped that many of the members will be able to attend some of the various functions during the conference. The Ways and Means Committee, Mrs. Maureen Walker and Mrs. Wilkinson, along with Miss Jean Mackenzie and Margaret Garner will be the committee in charge of the Hummage Sale to be held in May.

Miss Win Maloney, supervisor of the Junior School for the Deaf, Milton, was the guest speaker for the evening and was introduced by Mrs. Aileen Bradley. Miss Maloney showed both slides and movies of the school and its pupils, teachers and various recreational activities which was most illuminating.

Pupils are divided into classes of not more than ten, since each pupil requires so very much individual attention from the teacher. The children come to the school at the age between five and six and graduate at
