

DINERS SAW 'Y' WORK FIRST HAND

MRS. MAGDA BIXEN, and Karen Norton, Y instructors for the girls gym class watch pupils Patricia Bernachi, Andrea Keire, Lynn Gilson, and Kathy Keire demonstrate one of the games they play on a regular meeting night for the YWCA members and guests attending the annual Y dinner in Knox Church Hall. Glimpses of some of the Y activities were a new item on the program.

WEARING THEIR JUDO APPAREL, purposefully loose fitting so opponents have lots of clothes to get a grip on, the junior judo class demonstrated the rise and fall of a student of self defence.

ONE OF THE MOST ENTERTAINING was the tumbling display. That's Gerry Haarmeyer and Bob Wakfer watching one of their pupils go over the mat bottoms up.

Mrs. John Kiiffner New President Of Georgetown Red Cross Branch

Corbett Takes Position As Campaign Chairman

Mrs. John Kiiffner was chosen to head the executive of the Red Cross for 1964, at the Annual Meeting held February 11. In addition to the new president Mrs. J. Kiiffner, the executive consists of Mrs. A. M. Sutherland, first vice president; Mrs. Dow Hancock, second vice president; Mrs. Ross Lytle, secretary; and Mrs. Stan Walsh, treasurer. Rolling president Mrs. S. N. Martin reported that last year's campaign was \$225 short of the \$2,000 goal. She thanked John Wolff for his efforts as chairman.

Five hundred and sixty people gave their blood during the two Red Cross Blood Donor Clinics, according to Mrs. J. Ferguson. In 1964, three clinics have been planned, he added.

That the Red Cross volunteers work diligently was confirmed by Mrs. Ronald Lytle, when she reported that 1,562 hours were donated by local branch members, exclusive of the executive.

The report of the nominating Committee and the election of officers was conducted by Heave John Elliott, who, with his wife, was a guest at the dinner. Other guests were Mayor Joseph Gibbons and Walter Pope, and Mrs. Betty Dugan, Public Relations Director of the Ontario Division.

Guest speaker Mr. Harry Black, Campaign Director of the Ontario Division, defined the Red Cross as "an organization which tries to do the needed things that remain un-done when all other agencies have completed their programs or exhausted their resources, and it is the organization which performs services which no other agency is trained or equipped to provide."

were used to show some of the ways that people misunderstand one another in organizational work.

Meeting the frequent question "How much of my gift will be used in administration?" head on, Mr. Black stated that it seems unreasonable to assume that money spent on salaries and administrative expenses does not help people in need. He pointed out that many thousands of workers receive no pay at all, with only a very few branches having paid workers. "Doctors, nurses and technicians must be paid to do technical work," he contended, "and experts must be employed to train and supervise the volunteers."

He reminded the group that the first school for public health nurses was established by the Red Cross.

The largest youth organization in the world, thirty five million, is the Junior Red Cross, which is not concerned with race, creed or boundaries, said the speaker, but only with the good of mankind.

The committee chairmen for the year are: funds campaign, G. W. Corbett; A. M. Sutherland; blood donor services, Mrs. John Ferguson; public relations, Mrs. Jack Nieuwboer; loan cupboard, Mrs. Eric Balkind; Mrs. Ernie Rawson; disaster services, Mrs. J. O. Shorten; home nursing, Mrs. William Solomon; senior citizens, Mrs. Robert Jones; voluntary services, Mrs. A. A. Landry; social and telephone conveners, Mrs. Robert Rolfe.

Poll Wheat Growers

On Higher Bushel Levy

Wheat farmers in Halton are being asked to vote in favour of a higher wheat levy following a meeting of the Halton Wheat Producers Association at the Agricultural offices.

Roy Coulter, chairman of Ontario Wheat Producers Marketing Board and Campbellville farmer said a questionnaire wept whether the farmers are in favour of a 10 per cent levy per bushel of wheat as opposed to the present 10 cents a bushel at present in effect has been sent to 255 farmers in the area.

Only 15 farmers turned out at the meeting and none voiced any opposition to the move, said the chairman.

If put into effect, the new levy will amount to 10 1/2 cents a bushel, based on 1963 wheat prices he said.

The reasons given for the new increase are intelligently put to the farmers, said Coulter, and point out the added cost in shipping and handling of wheat before it arrives at the market.
