## Hospital Annual

### One Change In Board Thomas Beer Acclaimed

A high school teacher, Thomas Beer, is a new director of the Georgetown and District Memorial Hospital Board. He was acclaimed Thursday at the annual meeting of the hospital association in Wrigglesworth auditorium.

Also returned for year terms by acclamation were three directors up for reelection, Ted Evans, Dick Licata and Harold McClure.

A fourth director due to stand for reelection, Claude Keatner, declined his nomination.

The chairman of the board and other officers will be named at the board's inaugural Stanley Martin, Executive Director of the Ontario Hospital Association addressed the meeting. He spoke on hospitals and the insurance plan, and some of the problems that face hospitals through misunderstanding by the general public of ownership and operation.

Georgetown hospital administrator H. Graham Gibboly introduced the speaker, and he was thanked by Director John T. Armstrong.

Reports of the administrator and department heads were presented to the board with no discussion.

### New Clifford Camp For Whiteoak Guides

A new camp site has been purchased by the Whiteoak Area, at Clifford, Ont. The Guides and Brownies from the Georgetown area will be using the campsite. It consists of 100 acres of beautiful land with a lodge for the Brownies, camp sites for the guides, and nature trails.

Each District has been assessed \$3 per head for their Brownies and Guides and North District of Georgetown are putting on a Variety Show this week at the Wrigglesworth School in order to raise funds.

### May Add Another Truck, Town Fleet

With town equipment improved by purchase of a new 4-ton dump truck, council is considering adding a smaller pick-up type truck to the fleet.

This week tenders are asked for a 1/2 ton, 3-ton and one-ton vehicle. Council will decide after viewing tenders, which size they will order.

## GEORGETOWN PLAY JUDGED LAST NIGHT

Georgetown Little Theatre's production of 'Under the Sycamore Tree' was heard and adjudicated last night at the Ontario Drama Festival. It was the second of five finalists to be heard by the adjudicator, Mr. M. Beaulne.

Woodstock's 'Someone Waiting' was heard Tuesday, the first night of the Festival. Tonight, London Little Theatre presents 'As You Desire Me', Friday, St. Thomas Players stage 'My Three Angels', and Saturday, Welland Little Theatre performs '2 B'.

Awards will be presented Saturday night.

## "WATCH THE BIRDIE" BADMINTON STARTING

Georgetown will have a badminton club if response to a two months experiment is sufficient.

Tonight is the first night. The club would be Y sponsored but not limited to Y members. All that is required is a pair of gym shoes and badminton racket. Rackets are supplied.

The high school auditorium is the place and 8:30 is the time.

A local man, Bill Robins, who has experience in badminton, Club work is handling the organizing.

If at the end of two months the interest is sufficient a permanent club will take shape in September.

## Father Seriously Injured In Crash

Don Garbutt, 44, of Georgetown, was seriously injured in a crash from a farm field, Neighbourhood Mr. and Mrs. Lloyd Garbutt were first at the scene. Mr. Garbutt's brother, Bill, who operates a plumbing and heating business in Georgetown, learned of the accident when someone noticed the name on his truck and asked if he were a relative. He rushed to Peel Memorial Hospital, Brampton Police conveyed the tragic news to Mrs. Garbutt at the school.

The Garbuts live on No. 17 Sideroad where he farms and operates a carpentry business. The crossing where the accident occurred is not far from Mount Pleasant where the Georgetown - Toronto C.N.R. tracks cross No. 7 highway. The accident occurred at 8:20 a.m. The vehicle was demolished and wreckage was strewn for 68 feet down the tracks.

The funeral service for the two little boys will take place Thursday afternoon at the David A. McClure Funeral Home, Brampton at 2 p.m.

## Success Guaranteed As Canvassers Get \$1736

There was jubilation in the Red Cross campaign headquarters at the Delrex Plaza. Celebrations were still to be held, a Red Cross spokesman said Monday night.

Monday was Blitz Day and by 10 p.m. area captains had reported collecting \$1,736.00, with more to come. The Georgetown Branch's objective is \$2,000.

One hundred dollars of the collected total came from industry and represents about 10% of industry's expected contribution.

A hundred and sixty canvassers took part in the Blitz under Campaign Chairman G. Corbett, D.C.

It was estimated that 15% of the residential donations were still to be added. A Red Cross spokesman said success of the Blitz was guaranteed.

Last year the blitz fell \$238.00 short of the same objective. Mr. Corbett commended the work of a number of high school youths whom he said "did a very good job for us." The campaign started at 10 in the morning. Officials were in the headquarters until midnight.

Some canvassers will still be making calls this week at homes where there was no answer on their first round.

## June Bugs Surprise Feature, Ides Dance

Secretary and superintendent support Friday the 13th. The Georgetown Auxiliary of the North Halton Association for Retarded Children scheduled their annual Ides of March Dance for the black Friday and had overwhelming success.

Some 250 turned up at the dance, establishing it as one of the major affairs of the local social season. It was the third Ides of March Dance arranged by the auxiliary. This year's committee was headed by Mrs. Max English.

Among the guests were Mayor Joe Gibbons and most of council, the principal of Sunshine School Mrs. Jeffares and her husband Rev. R. P. E. Jeffares.

Surprise entertainment came from a group that called themselves the June Bugs—three guesses what they looked like. The Manhattan Orchestra played for dancing.

A number of prizes donated by Georgetown businesses were awarded winners of novelty dances.

Total of proceeds from the dance was not available at press time. Tickets were \$5.00 a couple.

## Water Chairman, Council Differ on Pollution

Recently the Ontario Water Resources Commission pointed to pollution of the Credit River and urged that mill waste be channelled into the town's sewage system.

Water chairman Don Powers, after consultation with Provincial Paper officials, prepared a letter in which he indicated the town would handle treated waste for a charge of 25% of the firm's water bill. (At present the firm pays a 7% sewer charge for water entering the system.)

But when he tried to get council permission to send the letter on Monday he ran into opposition. The letter was turned down when five councillors, Mayor Gibbons, Reeve Elliott, Deputy Reeve Hunter and Crs. Smith and Young opposed it.

The opposition was not united. The reeve wants assurance that mill waste will not clog up the sewer system before he would favour the letter.

Mayor Gibbons opposes the sewer service charge altogether and says there should be no industrial rebates at all. (While everyone is assessed a 50% surcharge on water bills to pay for the sewer system, industries are excused from a portion of this if they can prove that all water used by them does not enter the system.)

"Suppose half a dozen residential users asked for a reduction, would you give it to them?" he asked Cr. Powers.

"There are 2000 domestic users and I don't see how this could be handled" was his answer.

Last week, however, Cr. Powers had presented statistics which showed that if the surcharge idea is dropped, there would be a 2 2/3 mill increase in the general tax rate.

After the vote, Cr. Powers said he would have a committee meeting and asked opponents to come down with concrete proposals of what they would do.

"Just voting down this letter isn't any answer to our problem," he said.

## Fire Hall Tour For Girl Guides

The fire department was host to six companies of Guides and St. Andrew's visited the hall Monday March 1st and 2nd. 3rd and 4th Glen Williams Companies toured Wednesday, March 4th with a group from South Georgetown.

## Smith & Stone Strike Hangs on Board's Report

### Vote 374 to 8 Sunday To Empower Executive

Five hundred employees of Smith and Stone Ltd. could walk off their jobs this week depending on what action the Local negotiating committee sees fit.

At a mass meeting of Local 14161 District 50, United Mine Workers of America members in the arena Rose Room Sunday, gave the committee headed by Rex Cook, 29 Henry St., an overwhelming vote of confidence giving them the power to call a strike if the report of the conciliation board is unsatisfactory in their minds.

Differences between the company and union went to conciliation Saturday, March 7th and apparently reached a stalemate. The report of the conciliation board may come at any time within a maximum period of 30 days from the sitting. It is expected, however, the report will come soon.

It will be sent to the U.M.A. district office and forwarded here for perusal by the local committee.

Three hundred and eighty-two turned up to voice their pros or cons at the Sunday meeting. Sixty-eight opposed giving the committee absolute authority to call a walkout.

The committee is made up of president Rex Cook, district representative Frank Daly, and vice president Reg Hoare, treasurer Ruth McCrea, chief steward John Doherty, and executive members Dennis Cartwright and Tom Clark.

Four points separate union and company, all pertaining to wages.

## Radio Network, Aircraft In Flood Rescue Sunday

All Georgetown's power lines will be knocked out and low lying areas will be under water during serious flood conditions Sunday — but only on paper and in the minds of Emergency Measures Organization personnel taking part in Operation Cloudburst.

A joint project of Halton & Peel EMO forces the operation will be controlled from a base station at Terra Collis. Halton EMO forces, including a number of Georgetown men, will handle rescue operations from Georgetown to the water tower at Belfountain, and Peel will take care of rescues in the area from Georgetown to Streetsville.

EMO men will man nine mobile radio units along the course of the flood, and a light aircraft will make two passes over the flooded area for reconnaissance purposes.

Credit Valley Conservation Authority river watchers will take part in the exercise.

Major Jack Adams will handle the Peel end of it, and Halton EMO Co-ordinator Bruce Macgregor will control Halton's unit.
