

# 1964 Olympic Skater is Featured In Two 'Rhapsodies' Performances

Members of the Georgetown Figure Skating Club from babes on blades to experienced seniors have an excitement building inside these weeks—their ice carnival is getting close. What's more is they'll probably be playing to 2,000 customers this year for the first time in the history of the "Rhapsody on Ice".

Recent successes have attracted full houses and it is likely many who would have witnessed the productions didn't because of the sellouts. The solution is an extra show. A matinee will be held in the afternoon on carnival day as well as an evening performance.

The cast actually did two shows last year but the first was an eleven-hour run through in front of empty seats just prior to show time.

Rhapsody on Ice has been moved back this year. Normally an early March show, it was set this time for April 11th held in Toyland is the theme for the Junior program.

Featured guest skaters will be Bill Neale, former Canadian Champion and a member of the 1964 Canadian Olympic Figure Skating Team; Sharon Davis, 1963 Western Ontario Junior Ladies Champion and 1964 Western Ontario Senior Pairs and Senior Dance Champion, who thrilled the Georgetown crowd last year as Peter Pan, and Muri Burbridge, professional comedian and a favourite here. The show will be under the direction of Club Senior Professional Ross Smith.

At left Jo-Ann and Susan Mitchell, two Georgetown performers, check some of the costumes for size.
