

# Band, Crowd of 450 Cheer Midget Victors

A crowd of upwards of 450 and the presence of the Georgetown Citizens Band kept the Georgetown Midgets on their feet mentally Thursday night and their play was too crisp for Simcoe Midgets who dropped the first game of the Ontario Midget Quarter final 8 to 1. Both teams were a little shaky in the early minutes but Jan Popell steered his mates to a 11-8 scoring for a pass from Bill Dwyer. Three minutes later Dave Sheppard banged in Brad Talford's pass and it was 2-0. Georgetown outscored Simcoe 1-1 in the second period. Yerry Hay, who paced the winners with three goals, struck quickly making 3-0 after just 15 seconds. Murdoch assisted Hay to score again at 15:44 with the first goal. Simcoe's goal of 18:41 was scored by J. O'Donnell.

The defending champions entered the third period with a 4-1 edge. Jan Popell extended it to 5-1 with a goal at the ten second mark from Llewellyn, and Hay rounded out his hat trick moments later. Marty Wheeler and Llewellyn completed the Georgetown scoring.

Llewellyn, Briggs, Sheppard and Popell picked up assists on the last brace of goals.

"During the intermission between the second and third periods, Jan Popell was presented with two trophies by Hub Patterson, president of the Tri-County Hockey League. One was the Most Valuable Player award and the other was earned by assisting the most points during league play."

## Mayor Is Guest At Sportsmen's Show

Mayors and Reeves from a number of centres in Ontario, including Joseph Gibbons of Georgetown were guests of His Worship Mayor Philip Givens of Toronto at the 17th annual presentation of the Canadian National Sportsmen's Show in the Coliseum, Toronto, yesterday, March 18th.

Mr. Gibbons and the other mayors and Reeves toured through the four huge floors of the Coliseum where various exhibits of the latest and best for sports, recreation, travel and camping are located.

Next they visited the boat and marine display and the International Motor Show and the "Cottage Court" before proceeding to the "hous spectacular" in the arena, where they watched the evening performance of two hours of top light entertainment featuring champion, trick and comedy diving and swimming. At the conclusion of the "hous spectacular" the entire group were the guests of the president and officers of the Sportsmen's Show at a reception.

Reported to be North America's first springtime exhibition, the Canadian National Sportsmen's Show is presented each year as a public service project. Profits are in aid of conservation projects and activities. It concludes on March 21.

# Dorothy Young Rink is Filly Bonspiel Winner Bolton Pro Max Foster Hired by Georgetown Golf

Dorothy Young skipped a Georgetown rink to a win in the 7 Year "Kitty" Bonspiel at the North Halton Golf and Curling Club on Wednesday, March 11.

The only Georgetown rink to place among the top six, the Young foursome amassed 31 points as three game winners in the 9 o'clock draw.

A Granite Club rink skipped by Mrs. McChesney collected 30 1/2 points to win the 11 o'clock draw but fell short of the Georgetown rink's total.

Mrs. Back's Hamilton rink was 2nd in the 9 o'clock draw, a two game winner with 24 points; and Gene Solomon's Leaside four won one game and took 18 points for third.

Behind the McChesney rink in the 11 o'clock competition was Mrs. Candor's rink which Dixie with 26 points. A Hamilton rink skipped by Mrs. Cranfield and a Hamilton Victoria rink skipped by Mrs. Wright each had 17 points.

Other rinks came from Burlington Curling Club, Dundas Valley Club, Guelph, Brampton, Acton, Orangeville, Erin, Georgetown and Hamilton.

# Three Teams Make Clean Sweep At Hockey Tourney

The 4-town hockey tournament was a one-sided affair this year.

With Acton the host town Saturday, Georgetown Banlam, Peewee and Novice teams swept games with Acton, Vergus and Milton to come home with 3 championships. And to top it off, the lucky ticket prize was won by Mrs. Gear Hayes, 21 Mary St.

The Peewee scored the most outstanding win of the day, trailing 2-0 when Milton scored two early goals in their first game, the team battled back to win 3-2 and advance to the finale when they easily overcame Acton 8-0. Acton eliminated Vergus in their first game.

Novices also blanked Acton 2-0 in the finale after a 4-2 win against Milton.

And the Banlams registered two shutouts 8-0 from Vergus and 3-0 from Milton.

# Beavers Still at It Set Exhibition Game

Metro Junior B Beavers are still together as a team, playing exhibition games that are giving them management a chance to see some prospects under fire.

The next tilt is this Friday night when Welland Juniors play there.

# Midgets Meet Leamington Game Here on Sunday

Georgetown Midgets have reached the second rung from the top on their climb to the Ontario Midget A championship.

They disposed of Simcoe in Hagersville Saturday winning 7-2 to take the two game total goals series 15-3.

The Ontario semi-final opens here this Sunday afternoon at 4 o'clock and the series shifts to Leamington on Saturday, March 28th for the second meeting. Like the quarter finals this too is a two game total goals affair.

Since the start of the play offs Georgetown Midgets have scored 40 goals while giving up just 11. This season, including play-offs, the team has scored 223 goals and allowed just 72.

Saturday's game started with both clubs bumping hard and often. Simcoe owned an edge in the play and might have eroded the seven goal margin Georgetown carried into the game but for the alert netminding of Brian Peavoy.

There was less than two minutes to go in the period when Bill Dwyer lifted the lid with goal number one, the only one of the frame. Georgetown was

# Bolton Pro Max Foster Hired by Georgetown Golf

A highly qualified golf instructor with a wealth of organizing experience, Max Foster, has been hired by the Georgetown Golf & Country Club directors as club professional.

He'll replace Doug Bruton who has taken the promanager's job at North Halton.

For the past five years Foster has been a pro at Bolton Golf and Country Club where he started as an assistant under Dick Roach. He's a Brampton native now living at Cheltenham. He's married with four children.

"Max comes to us highly recommended," a club spokesman told the Herald yesterday. "His ability to teach the game is his strong point, having himself won the Golf Division of the Toronto-Towansville Recreation Association, and the Golf Division of the Brampton YMCA. Right now he's teaching two nights weekly at Doug Bruton's Golf School in Brampton."

Foster, 26, was picked from a number of good prospects interviewed by the directors.

He starts his duties here April 1st.

# Three Local Men Show Promise As Referees

Three local men show good potential as future NHL referees.

Brian Lewis, Don Jarvis and Ron Green have been travelling the OHA circuit this season, and Brian has refereed one Junior A game.

"They all have good future as OHA referees and the NHL always has an eye out for upcoming officials who show promise," a Norval man told the Herald this week.

The Norval resident was C. F. (Pat) Patterson, who knows what he is talking about. Pat is referee-in-chief for the OHA.

# Beavers Scouting For Player Help

Red Asseline's type that does his Christmas shopping early. With the Junior B Beavers' season just over the club manager was in the far north on the weekend appraising talent.

Objects of his attention were Midget personnel on Copper Cliff and Sudbury clubs who are meeting for the northern Ontario title. A 190 lb. forward who first caught Asseline's eye in a Bantam tourney here a couple of years ago, Dennis Wing, was one of three that will be wooed.
