**Shady Laurel** Magnificent Hedge! Red Brick Country Bungalow

Don't go and look at this nice country home on a nice spring day unless you're prepared to lose your heart to it. The magnificent huge trees, the well kept lawns with rugged redwood style ranch fencing to set it off! Then think of the scrumptious strawberries with rich, thick cream that can come right off your own vines as a dessert! Not to mention the coming crop of dark, soft, juicy raspberries that will be yours in June! No city dweller should see the deep lot (300') rolling hills or the neat new garage without making sure he wants to take the plunge, but if you do, then hurry and see this NOW! Your friends won't leave it for you if they see it first!

**Time for Spring Building** A lot with a sort of junior ravine view, measuring 101 x 135 where you can build your dream house or if you prefer we will supply the whole package to your order! The lot alone is offered right in town for \$2900.00 or offer and it's a MLS photo listing. We think it could be divided into two lots, in which case this price would come dangerously close to robbery!

**Bird Watchers Ahoy!** Cardinal Blue Birdal Chickadees!

**\$8500.** — for unlimited enjoyment in mother nature with all the feathered kingdom to please you as leisurely finish that second coffee from the bright, modern kitchen of this pocket country gem! You'll have to get along with your wife because there is only one bedroom as well as a modern 3-piece bath, an imposing oil heater with what appears unlimited capacity to dish out warm, cozy heat, plus a full basement, 17 ft. living room — really, when you consider the fact that water is supplied by the Georgetown water supply could you get any better anywhere at this price? Come and see!

**Wartime House!** Malton — \$10,500.

We have just listed a really nice home in the Village of Malton which has 3 bedrooms, separate dining room or fourth bedroom, h.w., modern kitchen, all on a bright corner lot which is fenced for child safety. There is also a separate garage which is included at this price. If you would like to be nearer Metro, this is a chance to do it at a bargain price.

**Resigns as Principal Knapper to be Inspector**

Harry Knapper, principal of Harrison Public School, on Resway Drive, submitted his resignation Wednesday morning. It was learned yesterday by The Herald.

Mr. Knapper, who succeeded Harold Henry as principal of Georgetown's largest public school three years ago, handed his resignation to School Board business administrator James F. Evans early yesterday.

Mr. Knapper was not available for comment at press time but it is believed he will make the move from public school principal to public school inspector.

Mr. Knapper was recently given a two week leave-of-absence to accompany a public school inspector to gain an insight into the duties. His resignation will not take effect until the present term is completed.

**Fur Coat, Jewellery Stolen from Apartment** Police are investigating a robbery that netted a costly fur coat, jewellery, and quantity of old coins last week.

The victims were Mr. and Mrs. Kees Van Gent, tenants in a "third storey apartment" at 4 Byron St.

The theft was perpetrated sometime between 8 p.m. and 4.30 while the couple was out. Mr. Van Gent told The Herald they found evidence of some one being in their apartment when they got home though there were no marks on or around the lock on the door.

Van Gent said witnesses reported seeing two men in the corridors around the time of the break-in.

Cal. Roy Henderson is handling the investigation.
