## Budget Conscious, School Trustees Take No Money

High school trustees have...  
...decided to follow the lead of...  
...Mayor Joseph Gibbons and...  
...forgo any money coming to...  
...them through their service on...  
...the high school board.

The seven man board agreed...

...up their trustees allowance...  
...and mileage allowances effec...  
...tive January 1st this year.

Their action means a sav...  
...ing of approximately \$700.

Work on the 1964 teachers...  
...salary schedule was finalized...  
...Monday, April 13. The new...  
...schedule is as follows:

Category 1	Min.	Max.
Category 2	\$4,800	\$8,400

...in Campbellville against the...

...downs without league playoffs.

It's likely the league will...
