

ASHGROVE

Ashgrove Women's Institute Makes Mrs. Cleave Life Member

The annual meeting of Ashgrove W.I. was held on the 21st of April at the home of Mrs. Milton Bird with the president Mrs. John Bird opening with the old and good. The roll call was answered by paying of fees, Mrs. Cecil Wilson gave the customary report on the Desert course held in Milton, April 8th. It was voted that the President and secretary attend the TB-banquet in Oakville on Wednesday, May 27th a committee of three were appointed to look after displays for Milton and Georgetown Fairs, a donation of \$5.00 is to be sent to Major Newman for historical purposes.

All were in favour of our Institute underwriting expenses for Mrs. C. B. Dick to purchase a new cover for the Tweedsmuir History Book. Mrs. C. Hunter reported on the District Directors meeting held in Milton on April 6th and said the District Annual is to be at Acton on May 20th and four delegates were appointed to attend.

With Mrs. Lloyd Davison at the piano all stood and sang "Springtime in the Rockies" and "Take Me Out to the Ball Game". Our president had ready a resolution on Water Conservation to be sent to the district annual in Acton. As this was the annual meeting the standing committees all gave reports and these were very gratifying.

The secretary Mrs. Bob Alexander had drawn a large chart showing receipts and expenses for last year which gave us a clear idea how and where our money goes.

Mrs. Chas. Austin had the motto: "It is the love that fires others" and those of us who heard it will remember her challenge. Current events were given by Mrs. Harvey Nurse.

Miss Charlotte Turner, district president, was present and spoke on "Be Considerate, Each Must Consider the Other if Life Will be Harmonious. Do Things Graciously and It Develops Happiness and It Unselfish Enough to see the Other's Point of View."

At the conclusion of her talk she presented a life membership certificate and pin to Mrs. Wilbert Cleave who has done such faithful work over the years in the Institute. She was very surprised and thanked the ladies for the great honour.

David Austin played guitar selections. Mrs. Robert Cunningham gave the nominating report and Miss Turner installed the new officers for 1964-65 which are, President Mrs. John M. Bird, 1st vice, Mrs. Jeanne Carney, 2nd vice president, Mrs. John Riddell; Secretary-Treasurer, Mrs. Robert Alexander, District Director, Mrs. C. B. Dick, assistant, Mrs. H. Happy Birthday to Mrs. Geo. Nurse who celebrated her 86th birthday on Sunday, April 26.

DID YOU KNOW?
"Little" grass and bush fires can mean "big" costs to the taxpayers, points out the County Fire Prevention Bureau. Over 300 such fires in Halton last year accounted for nearly one-quarter of all fire calls, and cost the taxpayers over \$50,000. People who burn trash in open incinerators, carelessly toss cigarettes and matches into dry fields or bush, or try burning off dead grass on a windy day, should consider their rising tax bills next time the Bureau suggests.
