FOR RENT
General Street Garage 4 Bedroom Brick Home Main Corner Location
A real opportunity for an ambitious family to take over an excellent location where the business has dwindled because of the owner's ill health. What was once flourishing garage repair business has been neglected but still the demand exists. There are pumps which provide further income and the location is crying for someone to make at least part of the store into a snack bar. Big lot allows for any conceivable expansion. The living quarters are positively luxurious, what with the fireplace in the living room, a modern kitchen, and positively shinning modern bath plus 4 bedrooms. Oil heating of course. Big storage shed at back. This location is less than ten miles from the Toronto International Airport on a main paved road. You can still keep your job, have your wife and children run the store and you take over on weekend! And no one will suffer except the income tax man who will be trying to figure out what you owe him on all that extra money you're making. Phone May Clapham 877-8229 NOW!
