SILVER-WOOD

Institutes and Dachshund Combine For April Party

Silver-Wood and Limehouse Women's Institutes joined together on the evening of April 27th to help celebrate the birthday of all those born in April at the Halton Manor.

The Guides under the direction of Mrs. Ian Carmichael put on an entertaining skit. Four of the Guides were Beatles right to the mode of hair. One of the records playing in the background completed the effect.

They also did square dances, folk dances and finished with old time songs, which were appreciated by the audience.

There was also a demonstration by Mr. McEachern of Port Credit, and Sambo, his dachshund. They did many cute tricks. This proved a delight to everyone. The birthday table complete with cake and coronation for the lucky ladies along with a small gift was the highlight of the evening.

The Guides helped serve everyone to tea and sandwiches and brought a very pleasant evening to a close.
