AUDITOR'S REPORT

To the Ralepayers of the Corporation of the Town of Georgetown, Georgelown, Onlario.

We have examined the capital and loan fund balence sheet and revenue fund belance sheet of the Corporation of the Town of Georgetown as of December 31, 1963 and the statement of revenue and expenditure and surplis for the year ended on that date. Our examination included a general review of the accounting procedures and such test of accounting records and other supporting evidence as we tonsidered necessary in the circumstances.

We hereby report that in our opinion, subject to confirmations regarding the Department of Highway's subsidy and federal grants in lies of taxetion; the financial transactions which have rome under our notice have been within til powers of the corporation; the audit has been conducted in accordance with the instructions of the Department of Mun icipal Affairs: the financial statements present fairly the financial position of the municipality as at December 31 1963, and the results of its operations for the year ended un that date.
