amounts stated. purpose, I am fully of the spread out. opinion the municipal totals and the grand total as it appears in the report present a just equalization of assessment for county purposes in 1964" the report stated.

Business Assessment figures revealed a \$3,396,597 or 14.96 per icent increase. Oakville leads with the highest Business Assessment with \$14,472,525; Burlington \$7,033,537; Georgetown \$1,575,733; Acton \$1, 105,900; Milton \$1,011,515; Yaquesing \$500,325; and Nassa-ERWeys \$303,030.

Six Man Delegation Represented 1700

An agreement concerning water was signed last week by Brampton Mayor Russel Prouse in Chinguscousy Township mualcipal offices.

the area would be owned by the mission and would be administ ble strikes friends stand tered by the OWRC. This would with a word of sympathy, include the recently drilled cleap of the hand or just a swer roll call with a news item. Buttonville well, said Meyor smile, and we wonder that we Prouse.

reception was given the Bramp ton delegation (himself, Mr. Galway and town solicitor Morris Smith) by Chinguscousy Council. There were favorable comments, too, he said. They will meet again next Tuesday

with township officials. Brampion forwarded a reselution last January to the OWRC and Chinguacousy stating it was prepared to sign an agreement similar to one drafted by -Peter Jones Photo the OWRC in 1960-81. Heeve Cyril Clark has stated previously that the township is willing to sign a sharing agreement. A six men delegation from Huttonville appeared before

township council last week with a petition saking no more wells be dug, no more water be taken
