

Businesswomen's Club Elects Mrs. Gladys Aiken President

Dinner preceded the business meeting and election of officers for the 1964-65 term for the Business and Professional Women's Club, at the McGibbon Hotel on Monday evening.

Minutes and treasurer's reports were heard prior to the election of the various committees. The Bazaar Sale committee reported a good sale and stated that the winter material such as good warm coats had been saved for a future sale with the balance of the articles going to the Salvation Army. It was voted to send the incoming president to the biennial conference in Ottawa in July and to pay expenses up to \$125. The delegating fund was approved and it was unanimously decided to keep this fund at an amount that would enable the club to send delegates to both the annual and biennial conferences when they were held.

Invitations were received by the club to attend the Toronto Council of Business and Professional Women's Emblem breakfast held in the Old Mill on Sunday, June 7th and to an afternoon garden tea held at the home of Miss Margaret Hyndman in June, in aid of the Arts and Management course sponsored annually by the Toronto Club.

A letter was received from Miss Eleanor Hill, Glen Wilkes, stating that she had been

chosen to represent the high school at a United Nations Seminars at Waterloo College and asking that the Club be her sponsor. The matter was left to the Executive committee for study.

Miss Jean Mackenzie, president, turned the chair over to Mrs. Chris Hornby for the election of officers. The officers for 1964-65 will be: Mrs. Mackenzie, past president; Mrs. Gladys Aiken, president; Mrs. Ada Wilkinson and Mrs. Maureen Walker, vice presidents; Miss Jean

Ruddell, treasurer; Miss Marion McKinn, recording secretary; Mrs. Charles King, corresponding secretary; Mrs. Edna Cole, Miss Hilda Krwin, and Mrs. Elizabeth Buck will comprise the program committee. Mrs. Chris Hornby installed the officers in the always impressive candle-lighting service.

For the balance of the meeting the members had the pleasure of travelling the south Pacific through the medium of Miss Mackenzie's colored slides and commentary of her recent

trip to Australia, where she attended the International Board Meeting of the Business and Professional Women's Club. Everyone enjoyed this brief glimpse of her trip and it is hoped she will continue the story at another meeting.

The June meeting, and the final one of the season, will be held at the Halton County Museum where a picnic supper will be held prior to browsing around the Museum followed by a short business session.

The huge tree fell three different days, one large part completely blocked the road into the school, another fell towards the old school, and the other fell along the fence between the school property and Percy Donaldson's garage, damaging

Lorne Scots Rifle Team Wins Command Award

Pared by the fine shooting of the Lorne Scots of Brampton, the Lorne Scots won the Central Command open team shooting championship at Camp Borden over the weekend.

Marsh won the high individual championship in the tournament, earning a score of 352.

The Lorne Scots ran up an impressive score of 1265 and easily beat the Governor General's Foot Guards by 27 points.

tinued Lorne Scots' unbeaten record. The team hasn't lost yet this year and defeated the Royal Hamilton Light Infantry to win the right to compete at Camp Borden.

Cancer Society Fund Campaign Over the Top
144 Rexway Dr.
May 26, 1964.

To the Editor:

As the 1964 Cancer Society campaign draws to a close, it is a pleasure to report that the Georgetown Unit, which comprises the Georgetown and Norval branches, has again exceeded its objective. The total campaign receipts to date are \$3,765 and \$2,250, as compared to objectives of \$3,200 and \$1,500, respectively.

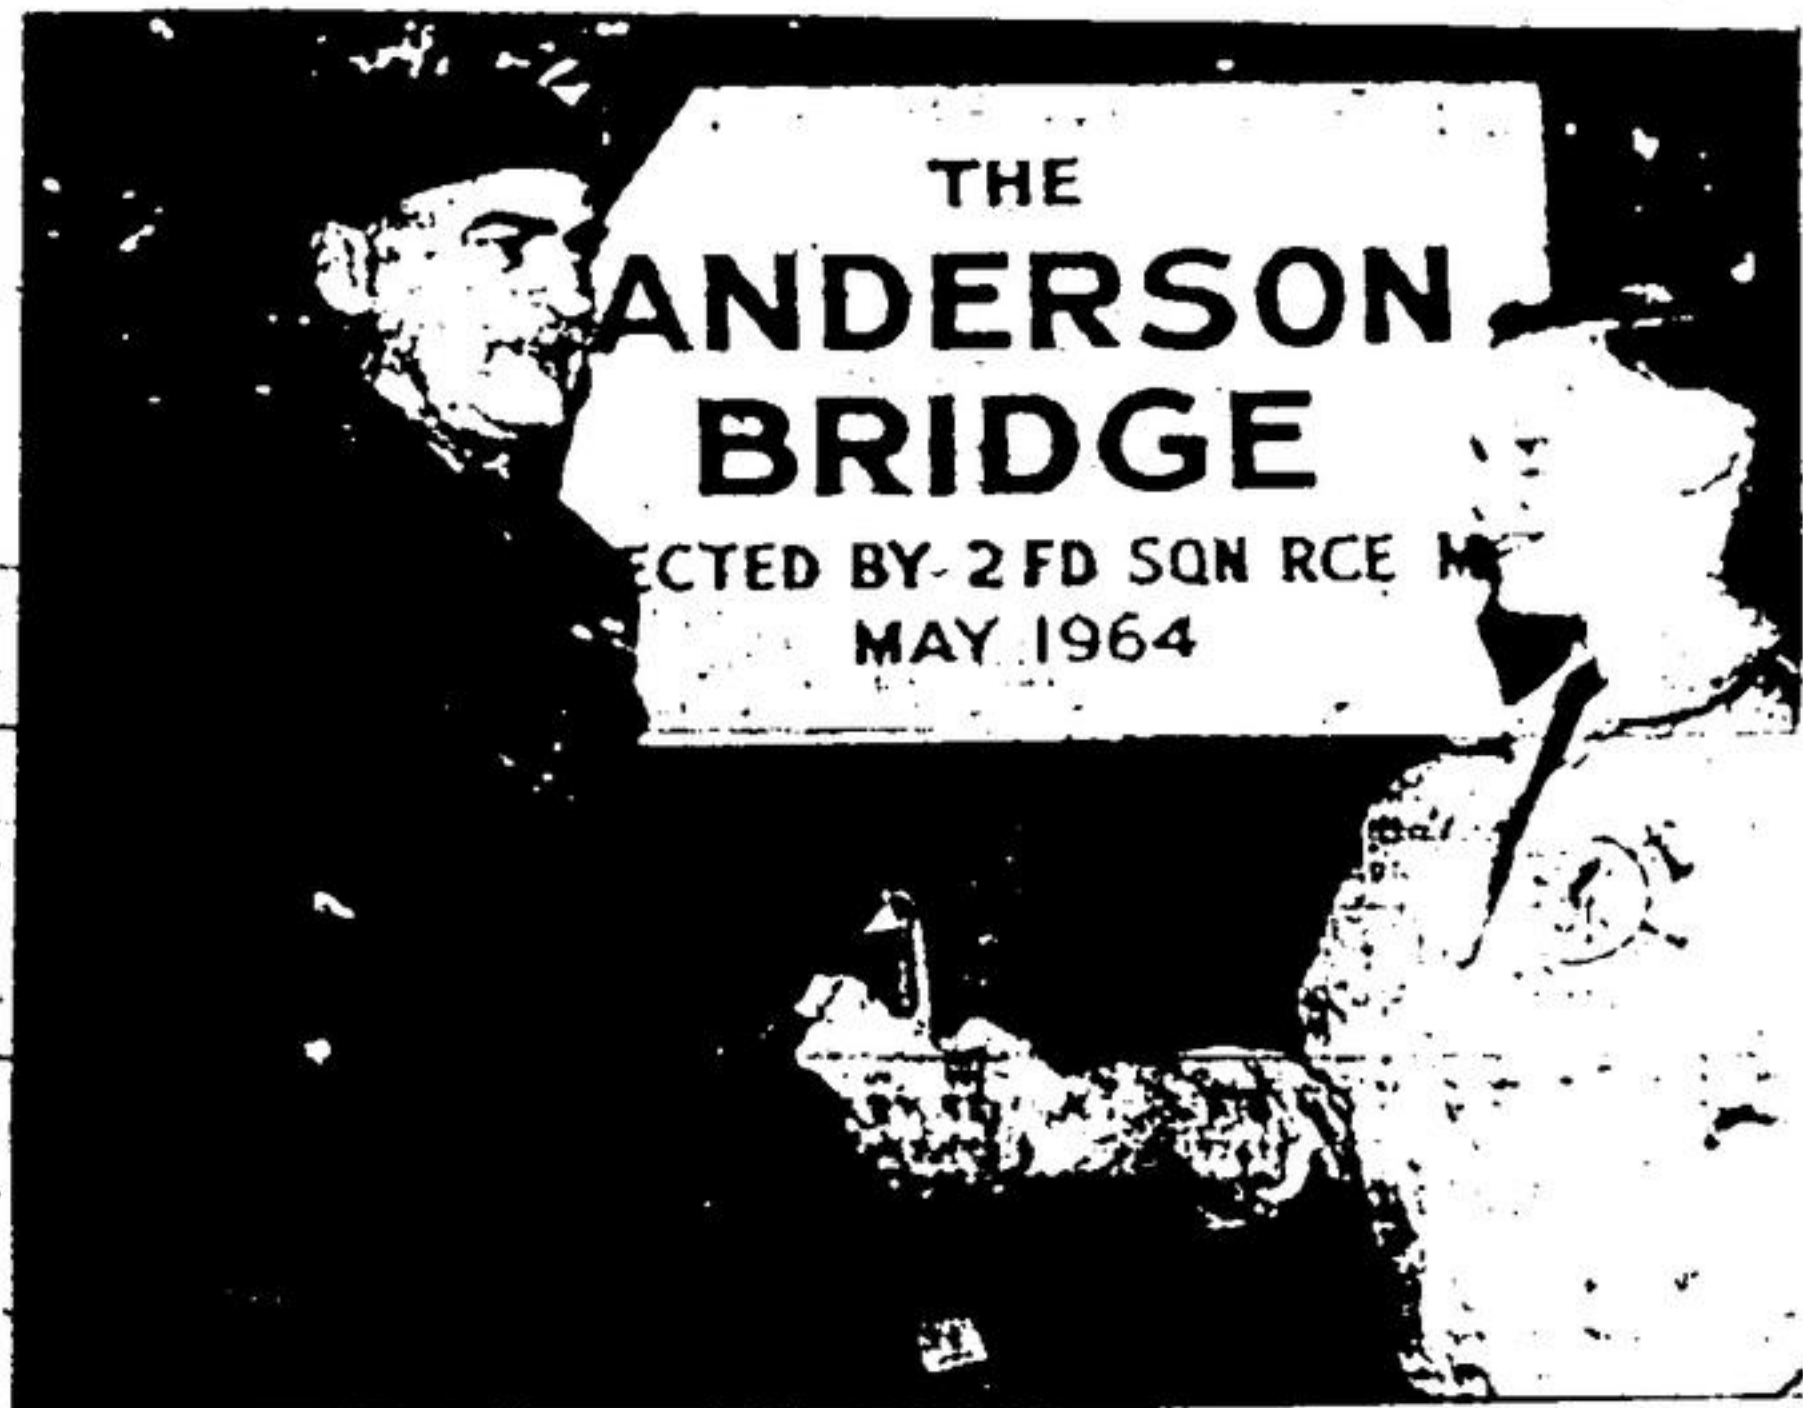

The success of any campaign reflects upon the enthusiasm and ability of the campaign organization and the wholehearted support of the community. In the Georgetown branch, credit and thanks are due to the many volunteers who served as captains and canvassers and to the campaign committee under the able chairmanship of Mr. Reg. Brownhead.

The success of each and every local campaign will ensure a successful national campaign. These funds are urgently needed by the Canadian Cancer Society to carry on its research, education and welfare programmes. Our cause is a very real one, our need is great. We believe that success lies ahead but we also realize that a great deal of work lies between.

Donald M. Powers,
President, Georgetown Unit.

LANGSTON, CD, Commanding Officer of the 2nd Field Regiment is thanked by Robert Rowland, 12, of YMCA Camp Norval, at Georgetown's eastern limits after a ceremony that officially opened a new bridge built for the Camp by the army engineers. Robert cut a ribbon unveiling the above plaque. The bridge, which connected the camp with a chapel, was named after Major General Thomas V. Anderson, DSO, the honorary colonel of the 2nd Field Engineer regiment, who at 84, is the oldest living sapper officer in the British or Canadian armies.

THIS IS THE BRIDGE at Camp Norval. A hundred and twenty feet long, it spans a gorge 50 feet deep, which divided the camp. —Peter Jones Photo
