## Not The End Yet

RR I Georgetown Just because June and warm mean the end of the 1964 turn onthe hore and really weather have arrived does not gardening season. Far from it, soak once a week or so. There are still many things FLOWER BOXES AND POYS that one can plant, quick; blooming flowers like alyasum, masturtiums, popples, most of a wall, a fence, a patio or a

cultivation and weed killing fine rich soil. Very often one The garden will look a lot bet of these boxes or pots, filled ter and the work will be more with bloom, can be used to hide " light cultivation of all flower time to remove. Then too, if those persistent weeds which blooming until November. hope to go to seed when we. This concludes our spring are not looking, and in the garden articles.

By Gordon Lindsey Smith hot weather it will conserve moisture for the plants we really want to grow. As for the lawn, we should remember to

the summer and fall flowering verandah so much as a box. bulbs, and in the more tem tub or pots filled with flowperate parts of the country, ers. The main thing to rememeven things like zinnlas, ros- ber is that these are concenmos and so on. And as for trated gardens, and thus we vegetables one can, and should need specially rich soil and go on making regular fort most important of all, frenightly plantings of brand, | quest, often daily waterlay carrols, beets, gadish, lettuce There are all sorts of suitable and biher things right through materials such as panaies, pr. June and early July, Indeed tunias, nasturtiums, gerantums, where one is sure of a long lobelias, , alyanum, , ageratum, open Fall with no killing tuberous rooted begoniss and before say, October, one can special foliage plants. There, plant peas, beans, carrots and should be boles in the bottom lettuce right up to the end of for drainage and a layer of small stones or similar mater Then there is the maller of 1st, then at least 68 inches of like play, if one makes a reg. a stump, stone or other ob ular practise of a quick and struction we have not had beds and vegetable gardens, but too big they can be brought say once a week in July and into the verandah in the fall; perhaps every two weeks or so when frost threatens and with from then on This will kill a little protection will go on

### Grand Jury Issues Warning Against Exhibits Unattended

faster a warning to the may both entrances of the adminhibits unguarded during the widened. lunch hour recess.

#### Cleared \$468 on · Tickets NHARC Announces Winners

Officials of the North Halton to widen both entrances of the Association for Retarded Child. Administration Building drive yen this week learned the ways at the Base Line road names of winners in the On- and to install a fire-proof cab tario Moose Lodge Charities inet for use by the Engineer's Draws. Members of the Asso. Department for the purpose of elation sold tickets on the keeping plans and drawings draw prizes throughout North A note of warning was made Halton, but there were no lo by the Jury following an in

First prize was \$50 for 52 Court quarters. weeks, and the consolation prizes were \$100 each Besides istrates Court," the report retarded children, the draw read, "We observed certain sided the heart fund, muscu Exhibits which appeared to be lar dystrophy fund, and can part of the court proceedings cer campaign and other chari were left unguarded during the lunch recession."

First prize was C17046, A Adams, 368 Wylev St. Post Arthur. Consolations went to B12150, Gordon Wright, 200 M Franklin, Fort Williams; C6814, Josef Moser, 863 King St. E., Hamilton; H1133, F. Pooley, 49 Lunness Dr., Toronto 14; B7034, Oliver Fousto, 3 St. Basil's Dr., Sault Ste. Marie; and 1.5529, Beeh Stamburski, Box 56, Sioux Lonkout. Members report the North Halton Association cleared a bout \$468 from their sales of tickets.
