

GIRLS SOFTBALL

The Ladies are Sluggers Even Pitcher Hit 4 Homers

by Mary Cooper
The umpire's call of 'batter up' set the Kinsmen's Girls Softball League off to a flying start for the six senior teams Tuesday night and the 5 junior teams on Thursday night. High scores were the order for both leagues as the girls quickly settled down to the high quality of baseball played in the league last year.

SENIOR LEAGUE RESULTS:
TUESDAY, JUNE 2nd

The WIGO TV girls coached by Gary Altun swamped the W. F. SUNNUCKS players with a 29 to 1 victory. The game was highlighted by some fancy playing by pitcher Jane Ellison for the Wigo team. Jane went all the way on the mound and topped it off with 4 home runs to be chosen star of the game. DELBEX FASHIONS came from behind to overtake the BEEP team with a 17 to 12 win. Susan Quinn for Delbex was the outstanding player in this match as she covered first base like a pro. The only homers hit in the game were a pair by Gail Fries, playing for the losers.

LEON'S HAIR STYLING sets the pace in their game against FRANK BRYAN'S STATE FARM topping them in an 18 to 14 victory. Sharon Emerson hit a home for State Farm, pulled her weight in the losing battle by hitting one homer and accounting for 4 runs, to be picked as the star of the game.

JUNIOR LEAGUE RESULTS:
THURSDAY, JUNE 4th

A scorching battle between KINETTE KRUISERS, coached

by the Kinetite president, Donna Moores and Jackie Keut, and THE SUPERIOR FOODS team, coached by Jack Handy, ended up with a superior 19 to 15 win. Linda Paul pitched the full evening game for Superior and was picked as the game star.

THE DAIRY QUEEN vs JACKSON'S BARGAIN CENTRE match ended in a big 20-1 win for the Queens. The slightly one-sided match saw Isabel Lieder pitch 6 innings for the Dairy Queens and end up as star of the game.

Conservation Winners, Sixty Students Attend Fish-a-rama

Eighty nine trout were taken from a stocked pond on the RR 1 Georgetown farm of Mr. Meadows May 30 in 4th first organized Junior conservation and Trout Day.

Sixty senior students from the five Georgetown public schools and Holy Cross school took part in the fish-arama. Fifteen of them girls. Many of the young anglers were after a strike for the first time in their lives.

The program ran from 9:30 until 4 p.m. under the guidance of Fred Darby of the Georgetown Anglers and Hunters Club.

The sixty were winners in a conservation contest which involved written tests for all the

performance handed in by Lorraine Seckington for the winning team.

League Standings

LOOKING FOR WIN

—Peter Jones Photo

GIANTS FIND BEANSTOCK SLIPPERY

THE BEANSTOCK that is the Halton County Intermediate Baseball League standing is greeted as far as the Georgetown Giants are concerned. The Giants have played six games of the 1964 schedule and are still looking for their first win. Above, a Hamilton Cardinal tees off on Giant pitching, which catcher Don Lindsay waits to receive. In the background is Giant third baseman Jim James. The Giants play their home games every Wednesday.

Domtar Alive too Late Drop High-Scoring Tilt

Georgetown Domtar threw a Johnny Dunn paced Action scene into Acton Station Hotel with three safeties. Fricker before surrendering a 14-12 had two including his round contest in Acton softball league action last Wednesday tagged a homer for the win. Domtar is the only Georgetown entry in the industrial league.

The Domtars trailed 14-7 to the Station Hotel's one as the teams went into the top of the ninth. It was a two-out one-on situation when the roof collapsed. Bill Somerville tagged his second home run of the ball game to launch the Georgetown up rising and before D Cunningham ham as Moggie p r f. Peacock ham's line shot was corralled at shortstop for the third out. Domtar had added five runs. The win was the Station Hotel's first in the past two softball seasons. The acquisition of Ed Phillips to bolster the team's pitching strength is expected to give the perennial tail-enders a brighter future. It was a close shave for the Station crew who collected five runs in both the last and second innings to build the commanding lead. They chalked up four more in the fifth when former Georgetown industrial leaguer Gord Fricker unloaded a towering homer in to right field with the bases full.

Georgetown pecked away at the offerings of Ed Phillips for 12 hits, two of them home runs by Somerville who also singled. Homeville Ward was Domtar's second-best hitting threat with three singles. Moggie started on the rubber for Georgetown but was lifted for Jamie Cunningham after being shelled early. Phillips, in gaining the win, set down ten Domtars on strikeouts. He fanned all three batters to face him in the sixth.

KID. BASEBALL

First Triple Play Here Helps Atlanta To Victory

The battery of Toat pitching and Quackenbush catching stymied the Giants in the opening game of the Georgetown Minor Ball Association's National League Thursday.

Toat struck out thirteen batters in shutting out the Giants 5-0. Whitham took the loss. In the American League opener the same night, Baltimore outplayed—and outthrew—Cleveland to take the game 1-0. The potential displayed by both clubs makes them rough competition for the rest of the teams in the league in the upcoming games.

Atlanta and Rochester played a defensive cliff hanger in the International League opener with Atlanta pushing a run over in the 5th inning to break a 0-0 deadlock.

In the fourth inning Atlanta pulled off a triple play—the first in Georgetown minor ball history.

Boys in the 12 to 14 age bracket are needed to round out the National League circuit. The response to registration in the other two leagues has been sufficient—but there is still room for more players in the top group. If interested contact the league president Roy Hallantini at 877-4638.

Snack Bar Violates Zoning Plan Property Owners Say

Terra Cotta, June 1st, 1964

The Editor
Dear Sir
15 property owners on the 6th line of Terra Cotta have signed a petition against the opening of a Snack Bar on this road leading to Terra Cotta Conservation area. At this point the 6th line has been classed as an agricultural area, and the restaurant has opened in violation of Chingungoy Township zoning regulations. Yet the property owners appearing before the township council at Sniegrove have received no assurance that council's own regulations will be enforced. In the meantime this garish structure continues to deface part of what was once a beautiful country road. What is the matter with Chingungoy Township Council?

"WATCH THE THUMB, BUDDY"
AL GIVES THE WEIGHT BUT SKIPS THE FORTUNE

"KEEP THE THUMB OFF THE SCALE" says kart racer Keith Hunter feeling like two pounds of ground round as he sits in his kart on the scales at the North Halton kart track. The weighing in ceremony is a must this year because of a new power-to-weight system of determining the divisions. Handling the scales is Al Ings. All that the setup lacks is fortune telling tickets. Below, Don Brink low attempts to squeeze a little more pep out of his racing motors, while new members Earl and Wayne Dowdy watch. The kart races are held every Wednesday night at the track south of Limehouse.
