

ICBM Reaches Georgetown Launched in USA in 1960

The Georgetown Chapter of SPEBSQSA Inc., entertained the Garden City Chapter SPEBSQSA of St. Catharines on Wednesday, June 3rd at the high school cafeteria.

But before many minutes had gone by, after their arrival by Greyhound bus, St. Catharines turned the tables and entertained the local Barbeshoppers for the remainder of the meeting.

Prior to lunch being served Steamer Emmerson welcomed them on behalf of Georgetown Chapter and the community.

Glen McKnight, vice president membership, introduced guests Andy Skilling, Don Walker, Ken Melpherson, Sault Ste. Marie Chapter and Roy Sage. Georgetown then sang the Welcome Song to the guests.

After lunch and plenty of "woodshedding" Harvey Sherwood, president of the Garden City Chapter thanked the local chapter for its hospitality and then made a surprise presentation to Steamer Emmerson. Brought to the front was an Inter-Chapter Barbeshop Missile painted in appropriate colors bearing the names of chapters it has been presented to in the U.S. and Canada.

On the nose cone was a simple engraved message wishing Georgetown good luck from St. Catharines.

In his presentation message, Harvey Sherwood said the Georgetown Chapter was becoming well known in Barbeshop circles as a fine, "live wire" chapter with a growing membership and could be proud of their efforts so far.

Georgetown Inter-Chapter Relations chairman, Jim Turnbull is busy planning where this missile will be launched next.

The Georgetown membership is as follows: Ralph Harton, Jack Armstrong, Ken Hillington, Stu Young, Dr. Jack Mar-

lin, Chris Jensen, Geo. Barber, Rex Day, Len Berneche, Jim Pope, Jim Turnbull, Charlie Kelly, Duncan Thomson, Dave Morgan, Glen McKnight, Steamer Emmerson, Bill Chaplin, Dick Packer, Gord Currie, Geo. Maasles, Hugo DeWinter, Walter Doupage, John Kennedy, Harold Olsen, Andy Skilling, Jim Ward, Howie Hamilton, Charles Goff, Don Parker, Tom McColgan, John McConnell, Bill Burrows.
