

Baby 'Died' Twice During Delicate Heart Operation

Two-year-old Ricky Spicer pints of blood, supplied by the Red Cross, were used during the operation. The operation was performed last week during an operation to correct a heart defect. Without the repair work to his heart, doctors claimed, Ricky would not have lasted through the next winter. At-Richmond, Ont.

Ricky is the infant son of Mr. and Mrs. Hilton Spicer of Toronto. He was born in Toronto, and shortly thereafter, he and his parents moved to Huttonville and are returning soon.

Ricky's congenital heart trouble was discovered when he was ten months old. The operation performed last week in the Hospital for Sick Children, Toronto, lasted seven hours. A report to The Herald said he "died" twice during the operation but was revived by doctors both times.

Before the operation it was necessary to collapse his lungs. A machine took over temporarily substituting for his own lungs and heart. Twenty-two

Lined to hospital for the next month or two.

The Spicers' doctor is Dr. B. J. Bebenek of Georgetown and because of Ricky's many confinements in Georgetown and District Memorial Hospital he is well known to the nursing staff here. Dr. Trusler is the heart specialist with the case.

Congratulations to Mr. Wm. Coboon who has passed his third year in Medicine at University of Toronto.

Communion services will be held at Limehouse Presbyterian church on June 21 at 9.30 a.m.

Going Away Gifts for Two Ballinamad Ladies

The Scout mother's Auxiliary met at the home of Mrs. Jameson on Tuesday evening of last week. It was the last meeting before the holidays and the roll call was answered by bringing in a can of beans for summer camping for the boys. Mrs. Jameson read an amusing camping clipping from the newspaper on the wording of advertisements and each lady was asked to draw her version of a design for a national flag.

The treasurer presented a report and the group are buying a tent for the boys and also assisting financially with storage equipment in the hall for the Cub and Scout equipment. Lunch was served by the hostess and committee.

On Tuesday afternoon the J.W.C. ladies enjoyed a picnic at the Manse with Mrs. Fleming as hostess, assisted by her mother Mrs. Poole who is visiting with her at the present time. Everyone participated in the program by writing a telegram to Mrs. Fleming who is leaving the Manse the end of June when they will be going to a new charge in the Lake of Bays district. Following this everyone enjoyed a little picnic and each found a little parcel hidden on the grounds. A lovely picnic supper was supplied by the afternoon unit and "going away" gifts were presented to Mrs. Fleming and Mrs. T. Gibson who is also moving away from the Church.

Mr. and Mrs. D. McLean visited last week with relatives in Hamilton.

Mr. and Mrs. T. Given arrived back at Mallon on Friday afternoon and report a wonderful trip. They were in France, Belgium and Holland and also visited with the Mike Nortons in England.
