Tre appointment is a popular one. Albert Holosquist succeeds J. W. H. Kerr who followed Playford S. Gibbon. Heving been one of the senior members of the staff at Brampton Rural for the past two years, he is well regarded said highly respected and his ability as an administretor is well known.

A man of wide interests, Albert Holmquist has two chief bobbies, one of these being the improvements to his cottage in Muskoks and the other technical problems, especially in the radio, TV and computer fields.

Mr. Holmquist is married to the former Belly Russell, 8 113 tive of Rugby, England. They have two children, Kenneth and Una Mary, both of whom are married There are now three; grandchildren

A modest man, Albert Holm quiet, in his youth was a good athlete, participating in succur and being particularly active in aking. He has little time now for enything besides his work and scientific subjects, also bu siness management problems in which he is keenly interested
