

Second Apartment Block Slated for Raylawn Cr.?

A request from O. & P. Construction Co. of Port Credit, for release of a building permit for a twenty suite apartment building, and play area on Raylawn Crescent met with surprised silence at Monday night's Council meeting.

"Is this beside the other apartment building", queried the Reeve. When the Clerk read out the last number, the Reeve said: "When we asked the Planning Board to rezone this land so that apartments could not be built, they gave us one reason for refusing, the fact that there was not enough land for any more than

one building anyway. Now they ask to construct another one."

Councillor Hildebrandt agreed with the Reeve on the Planning Board reasoning, and strongly recommended, that rezoning should again be considered to prevent another apartment building being erected at this site.

The Mayor felt it should be discussed at an Administration Committee meeting or at a meeting of committee of the whole.

Is Farming a Safe OCCUPATION?

.... Making Dynamite is Safer!

THERE ARE FIGURES TO SHOW THAT BOTH IN THE U.S. AND CANADA MORE ACCIDENTS OCCUR IN FARMING THAN MAKING DYNAMITE
.... MAINLY BECAUSE SAFETY RULES HAVE BEEN IGNORED.
