THOSE PLAYS AT THE PLATE ARE MURDER

DON'T EVER SAY the baseball midgets don't play for keeps in their exhibition games. In this slice of action out of a Sunday exhibition tilt between Georgetown Whitesox and Newmarket, the Newmarket batter has lost his cap and is starting to slide under the tag. The Georgetown catcher waiting for the throw is Wayne Denimore.

WOAA Adopts Senior Status Raiders Fail To Sit In

Officials of the southern division of the WOAA have assigned the 1964-65 all-star game to Milton and decided to change their classification from intermediate to senior. The two decisions were made at a league meeting held this weekend at Hilltop Lodge, outside Erin. Indications are that Cheltenham, Milton, Ferguson, Elora and Acton will be back from last year's circuit with Georgetown the lone question mark. Georgetown Raiders did not send representatives to the meeting. Traditionally, all-star teams from the loop's northern and southern divisions play games in a town from each section. This year's dream game will be played in Milton in mid-January and broadcast over CKNX, Wingham. No northern town has been named to host the game.

Giants Were Merchants Meat But Managed to Tie Dundas

Campbellville Merchants strengthened their grip on first place with a 10-5 victory over Georgetown Giants in a Halton County League game in Campbellville Sunday. The win maintained Campbellville's game and a half lead over Oakville and left them with just seven regular games on their schedule. Second baseman Elmer Dredge led the Campbellville attack, rattling loser Glenn Gibbs for a homer, a double and two singles. Third baseman Stan Henderson had a homer and three singles while centre fielder Al Wingrove had a round-tripper and two singles. Merchants had other good news. Outfielder Ken Moore, second among the league's batters, will be back in uniform this week.

Midgets Sharpen for Playoffs Win, Tie Weekend Exhibitions

The Midget White Sox, who ended up in Halton County in third spot, filled in the week-end with a couple of exhibition games. On Saturday night, they played against Erindale at the park and came out with an 8-8 tie. Hit hard by holidays, the White Sox fielded all their first year boys and the effort they turned in was a good tonic for their coaches. Erindale picked up a single run in the 1st inning to start the game in good fashion. The White Sox struck back in the second inning scoring two runs on one hit, a walk, two stolen bases and an Erindale error. Georgetown got better during the third inning allowing Erindale to score six big runs on only two hits and four big errors. It looked like a good Erindale win, when the Midgets exploded in the fourth inning for 3 runs and two hits and also in the sixth inning for three more runs on three straight hits, one a long triple to Jan Kiddell. Richard Lenz started on the mound, was relieved by Collier, a batsman when his in-field developed grease on their gloves. Collier was in turn relieved by Alister Blair who got credit for the tie Jan Kiddell had a big night going 3 for 3, collecting two singles and a triple. Bill Dwyer also hit safely twice. On Sunday afternoon at the park, Paul Lawson brought his Newmarket Midgets to town only to lose 6-4 to the White Sox. Mike Dwyer started on the mound and pitched fine ball till he tired in the fifth inning and allowed three runs, Newmarket's first scores of the game. Alister Blair came in to relieve Mike and held the Newmarket batters to only one score run to get credit for the win. Georgetown had only two big innings scoring three runs in both the third and fifth innings. Mike Dwyer opened the third inning with a walk. Wayne Denimore reached first on an error by the second baseman Bill Dwyer singled to score his brother. Ron Lane was called out attempting to bunt on the third strike and Marro struck out before Blair singled to bring home Denimore and Dwyer. Jan Kiddell popped up to the second baseman to end the inning. Bill Dwyer started the ball rolling in the fifth inning when he drew a walk. Ron Lane singled to be followed by a single from Marro Blair. Georgetown went to third on a passed ball. Kiddell struck out and Coallidge drew a walk, then stole second base. The pitcher loaded the bases by walking Gary Waller. With bases loaded and only one man out he fanned Larry Bradley and picked off Alister Blair stealing home. Highlights of the game were Alister Blair's three hits and 4 R.B.I.'s, Ron Lane's two sharp singles, a fabulous catch by Marro over his head in deep right field and a good double play by the White Sox crew in the fourth inning. The White Sox now start the Halton County Playoffs against Burlington Police Midgets for the Halton County trophy. Georgetown's opposition in O.E.B. Playoffs will be Dundas, the only other A Class team O.E.B. Playoffs will begin after the Midgets return from the Newmarket Tourney on August 15th.
