

# Pamela Currie, Army Officer are Married in Evening Ceremony

LEUT. AND MRS. D. L. BLAND

Pembroke will be the new home for Mrs. Douglas L. Bland when they return from a month's honeymoon in the west. They were married Friday, August 7 in St. George's Anglican Church by Rev. J. H. McMullin. The bride is the former Pamela Joan Currie, daughter of Mr. and Mrs. A. M. Currie, 19 Elizabeth St., Georgetown, and the groom the son of Mr. and Mrs. J. H. Bland of Winnipeg, Manitoba.

The groom is with the 8th Canadian Hussars (Princess Louise's) stationed at Camp Petawawa.

The Altar was decorated with pink and white roses for the evening double ceremony. The organist was Mr. George De Klerk.

Given in marriage by her father, the bride wore a full-length gown of peau de sole which featured a small train, lightly embroidered with Swiss white lace, and a semi-bouffant waist-length veil. She carried a pale mauve orchid.

Leslie Brown was maid-of-honour and Lenie Lenz was bridesmaid in pink peau de sole floor length gowns with straight skirts. They wore wed-

dingring headpieces and carried bouquets of pink and white sweetheart roses.

Lieut. John H. Heymans, also of the 8th Canadian Hussars, was groomsmen, and Lieutenants David J. Graham and Peter G. Dunner, of the same regiment, were ushers.

At a reception at the Riviera, Norval, the bride's mother received guests in a floor-length, beige straight dress with lace jacket. Her corsage was of gold miniature mums. She was assisted by the groom's mother in blue dress with outer lace, and wearing a corsage of white miniature mums.

## HELP TO MAKE HERALD

# Herald News Correspondents Community - Minded Citizens

To eight district correspondents belongs the job of keeping The Herald a Georgetown AND DISTRICT newspaper.

Senior correspondent now with 25 years of reporting LIMEHOUSE NEWS for The Herald is MRS. AET BENTON. Born Isabelle Neilson on Lot 7, 5th Line of Esquimaux. Mrs. Benton attended Quatre Bras Public School, Milton High School and Toronto Normal. Her entrance year grades were the third highest in the county.

Mrs. Benton taught school at Limehouse and at Mineral Springs near Ancaster, but left the area only once when her father sold the family farm and bought a house at Peru, near Milton. She married Arthur William Franklin Benton on October 29th, 1935. Mrs. Benton was a member of Boston Presbyterian Church transferring to Limehouse when married.

Mrs. Benton is a life member of Limehouse Women's Institute and Limehouse Presbyterian W.M.S. of which she has been secretary since July, 1960. Prior to that she was president for two years. She was secretary of the W.I. for six years during the war.

Mrs. Benton has been the village's postmistress for the past 21 years. Her favourite hobby is sewing.

Mr. and Mrs. Benton have two sons, Neilson Arthur, formerly with the Canadian Imperial Bank of Commerce, recently a graduate of the Marvel School of Hairdressing, and now operating Neilson's Country Salon, and Albert John, farming at R.R. 4, Acton. He married the former Gladys Bennett, teacher at M. Z. Quint school in Acton.

ASHGROVE NEWS has been channelled to The Herald for the past 17 years by MRS. JOHN BELLBOODY, R. R. 3, Georgetown. Born at Plymouth, England, Lillian Florence Ethel Mullins, the daughter of William and Mabel Mullins, she came to Canada in 1913 after her parents died. Friends with whom she travelled placed her with a family who needed a companion for their small daughter and she lived with them until she married John Bellboody on April 2nd, 1930, in their home at Laurel.

Mrs. Black is a life member of the Women's Missionary Society has been a CGIT leader, and church organist at Ballinfad United and holds office at the present on the Halton Presbyterian executive. Mrs. Black's hobbies are music and sewing. Son Bob, 14, attends Georgetown High School and Bill, 12, Limehouse Public School.

MRS. AUBREY GRANT has almost four years of experience in chronicling STEWARTTOWN happenings in these pages. Mrs. Grant was born in Limehouse, but has been a Stewarttown native since the age of two when moved there to live with her grandparents. She attended Stewarttown public school and Georgetown high and for nine years, from 1937 to 1946, lived and worked in Toronto.

Then Elizabeth Anne Smethurst, she married Charles Aubrey Grant in St. Ann's Anglican Church, Gladstone Ave., Toronto. They have one son Kenneth Charles 17.

Mrs. Grant is a member of St. John's Anglican Church where she is treasurer, and a member of St. John's Church Guild. She is also a member and past president and past-secretary treasurer of the Esquimaux Women's Institute. She is secretary-treasurer of Esquimaux School Area Board.

For the past nine years Mrs. Grant has had a seasonal hobby decorating personalized Easter eggs, and making Christmas corsages for church talent shows.

resident of the 10th Line of Esquimaux MRS. CECIL WATSON gathers the Herald's GLEN WILLIAMS news. The former Dorothy Anne Wagstaffe, she was born in Peel County and attended Glen Williams Public School and Georgetown high school. A resident of the Glen almost all her life, Mrs. Watson married September 23, 1939, and she and her husband Cecil will mark their Silver Anniversary next month.

21, a music teacher, is employed in a Toronto office, and Irene, 15, attends Georgetown High School.

Marking her first year as a Herald district correspondent, as of June, was MRS. JIM MARY LYON, who reports MORNING NEWS. A native of Cornwall, Winifred Jean Christina Gale moved to Milton with her parents in 1925 and was married in 1939 in Grace Anglican Church, Milton.

Now a member of Eden United Church, Hornby, Mrs. Hamilton takes an interest in church activities, and also devotes much of her free time to the community softball team. She lists knitting and playing euchre as her hobbies.

The Hamiltons have a daughter, Pat, (Mrs. Kerry Jessop), living in Georgetown, and a son Gary.

## Mile Wide Hail Strip Damages County Crops

On Tuesday afternoon August 11th hail caused extensive damage to crops in Halton. Commencing in the Lowville area the hail travelled in a mile-wide strip across the bottom end of the County, wiping out all crops in its path. The vegetable crops hit by the hail are a complete loss. As the oats and barley were almost ready for cutting, the hail knocked off the grain and broke the straw over. The grain crop is also a complete loss through the centre of the hail path. Leaves are stripped from the corn fields, but in most cases the corn was mature enough that the cobs should mature.

The Halton Federation of Agriculture are working along with the Agricultural Office, Milton, to see if anything can be done on a Government level to assist the farmers who had their crops wiped out. Information is also being procured, on sources of hail insurance, and such information will be made available to farmers when completed.

The effects of too much exposure to direct sunshine may be headache, abdominal cramp, nausea, dizziness or perhaps unconsciousness. The patient should be kept in a cool place and, if conscious, given cool water containing one half teaspoon of salt to one pint of water.

MRS. EDWARD McLEAN has been a Norval resident for all of her life with the exception of three years following her marriage when she lived in Tottenham. She has been writing NORVAL news for the paper since July, 1961.

Born Dorothy Watson, she is the daughter of the late Mr. and Mrs. Robert Watson who operated a grocery and bakery in Norval. Her education was at Norval public and Georgetown high schools. When she town high school returned to and village after their short stay in Tottenham in 1945, they purchased the former Mrs. Jack McPherson home on Draper St.

A Norval United Church member, Mrs. McLean has held various offices in the W.A. and W.M.S. and is now a member of the United Church Women. She is also the secretary treasurer of the Norval Women's Institute. Work with the village Guides and Brownies has also taken some of her time. Her spare moments are spent knitting, sewing or reading.

Two daughters and a son complete the McLean family. Ron, 23, is employed with a Brampton chain store; Joyce,

# Larry Gardhouse Tops 35 In County Seed Judging

Larry Gardhouse, R.R. 8, Milton, won the 1964 Champion Seed Judge Trophy by obtaining the highest score in the Halton County Seed Judging Competition. Thirty-five 4-11 and Junior Farmer boys and girls participated in this competition, held at the Agricultural Hall in Milton, on Monday, August 10th.

**FARM EXTENSIONS**

Farm families in the Georgetown area might want to consider the usefulness and convenience of having extension telephones in buildings other than the house. After all, it makes sense to have a telephone where you spend a lot of working time! Take the barn, for example! You can make important business calls without leaving your work - planning schedules of livestock shipments, ordering food, taking orders or enquiries, checking up on deliveries, etc. And since the telephone rings in the house as well as in the barn, no incoming calls are missed.

I suppose most people have come to think of extension telephones as belonging only inside the home itself. But actually they belong wherever they serve a need - and that includes in farm buildings.

**ON STAYING IN SCHOOL**

Some young people may shudder at the thought of it (and blame me for throwing cold water on what was up to now a pleasant holiday), but next year's school term is just around the corner. I certainly hope that as many Georgetown students as possible are intending to return to complete High School or technical school, because this is certainly the minimum requirement today in order to have any satisfactory control over what kind of jobs will be held over the next forty-plus years. And that can be a mighty long time to regret not staying in school a few more years! I hope that parents who grew up when times were different are aware of how much our society has changed and are properly determined that their children be as fully equipped as possible before tackling the working world.

**NO CHARGE!**

Your telephone is built to take it. Its only reason for being is to give you dependable, trouble-free service, year after year. But if anything should go wrong, we'll gladly fix it without extra charge. All you need to do is call the "repair service" number in the front of the phone book. Often, we can take care of the problem from the exchange. If necessary, we'll send someone out. But whatever the case, you'll never receive a bill for repairs. This is one of the values that goes with your service.

**LOOK FOR THE RED SEAL**

Have you considered the cost of electricity in terms of the work it does for you? To maintain a home at the present standard without electricity would entail the employment of high priced help. Electricity makes possible our modern way of life. Use it and "Use Better Electricity".

**Attention Farmers!**

For milking cows on pasture follow the MASTER SUMMER FEEDING PROGRAM. Cows milking at a high level on pasture require a high energy, low fibre ration. We recommend MASTER 16% DAIRY RATION or MASTER 16% MILK PRODUCER to overcome the problem of a mid-summer slump.

These feeds are available in Mash, Krum and Pellet form, and if you have an empty-grain or bulk feed bin we can deliver bulk feed in two ton lots or more saving you money.

**WEEVIL CONTROL IN GRAIN BINS**

KEEP YOUR GRAIN WEEVIL FREE by following HOWARDS WEEVIL CONTROL PROGRAM this year.

**BIN TREAT** - Spray your grain bin walls and floor with HOWARDS BIN TREAT before storing grain. It kills weevil in cracks and crevices and has prolonged killing action. It does not harm the Grain.

**GRAIN GUARD** - It mixes easily with your grain as it is being binned. It protects the grain until it is used.

**BIN FUME** - For grain already infested with weevil, use HOWARDS BIN FUME.

**CEMENT**

We are agents for PORTLAND CEMENT and MASONS CEMENT manufactured by the St. Lawrence Cement Company. Call us for your cement requirements. NO ORDER TOO LARGE or TOO SMALL.

**SEED WHEAT**

We will have a good supply of seed wheat on hand for fall planting. We can also supply you with your fall fertilizer requirements. We will be glad to do your soil sampling for you, and we have a fertilizer spreader available for broadcast spreading.

**SEED CLEANING**

We are now cleaning wheat for fall planting. If you have wheat for cleaning and treating, CALL US FOR A SEED CLEANING APPOINTMENT.
