Norval Proud of Ontario Scholar Janice Carter

Congratulations to Janice Norton, both of Georgetown, Ontario on winning a \$400.00 Ontario scholarship by obtaining 82% in her grade 13 exams. Janice, who celebrated her 17th birthday in July, obtained B Honors, an outstanding record. Janice says that the scholarship came as quite a surprise as she had not expected to achieve so high a standing. It was no surprise to Norval residents or her teachers, however, as Janice has a record of topping her class ever since first grade in grade school. In fact she only stayed a short time in grade 1, covering both grade 1 and 2 in her first year at school. When she reached grade 4 the school work was again so challenging as she was promoted to grade 5. Since then she has been content with honour marks each year, and if not heard of her class then very close to it, so she is a well worthy of the Ontario Scholarship.

Janice was a Girl Guide and studied in St. Paul's Anglican Church Sunday School until her school work and baby sitting 3 or 4 times a week took up all her time. She will be attending the University of Toronto in the fall and is the daughter of Mr. and Mrs. Ormie Carter. She has two brothers, James and David, who both attend Georgetown High School, and two sisters, Kathleen and Connie, who both attend Norval Public School.

Her grandmother, Mrs. Cordeus Cuskey, and her grandparents, Mr. and Mrs. E. S. Carter of Toronto, are very proud of her excellent achievement. Norval residents are always proud to have to our village as well as to Georgetown High School. We wish her continued success in the future.

Connie Carter is holidaying at Camp Arden, the Anglican Church Camp near Dundas.

Mary Belcher of Streetsville is spending some holidays with her grandparents Mr. and Mrs. H. Meyer. Her brother David also spent the week and visiting with them.
