COMPLETE KILCURRYLEA HOLSTEIN DISPERSAL

(Owned by Mr. and Mrs. Craig McClure, Norval) FRIDAY, AUGUST, 28th, 1964 at 1:30 p.m.

50 HEAD ACCREDITED — LISTED — VACCINATED — ROP PREGNANCIES GUARANTEED

Following doctor's orders and due to the difficult labour situation, Mr. McClure has regretfully decided to disperse completely this good farmer breeder herd which was established in 1922. Building this herd was practically a lifetime project for Mr. and Mrs. McClure and many creditable ROP records have been made under ordinary conditions.

This is a relatively young herd with well-balanced, sound udders and although no classification has been done in recent years, you will find good quality dairy cows. We believe that purchases can be made knowing these animals will do even better for you than they have for the McClures. Central Unit Sires are well represented with offspring, with the main service sire in the past year being Glenvue Sky Chief — 15 head due in the fall and early winter.

Immediately followed by the Ninth Rockwood International Consignment Sale. Choose from our offering of good quality fresh and springing young heifers and cows, all personally selected to meet your requirements. Also open heifers to grow into profit.

Sales will be held at the Georgetown Sales Arena
