Sidewalk, Storm Sewer On the Action List
With work slated to commence this week on the improvements to No. 7 highway, council on Monday decided on two more works projects which will be completed this fall:
A \$4,000 stretch of sidewalk on Princess Anne Drive will provide a pedestrian traffic artery to the hospital. And work will also commence on a storm sewer on Rezway Drive. Purchase of a grader which would cost \$30,000 but after trading in the present machine is still in the cards. Council is seeking higher authority to finance this over a 3-year period. Two readings were given to a purchase bylaw Thursday which now goes to the Dept. of Municipal Affairs for approval.
