the Town and the developer.

lowing, therefore, could be de-  
veloped to provide a basis for  
an agreement of mutual ben-  
efit to the Town and the de-  
veloper.

We would like you to con-  
sider, therefore, these propos-  
als:

1. That Delrex Develop-  
ments Limited convey to the  
Town for \$100,000 acres of in-  
dustrial lands on the north  
side of Highway No. 7, the  
particular lands to be convey-  
ed to be agreed upon. It is  
suggested that thereafter the  
developer and the Town might  
exchange lands, if it were de-  
sirable to do so, at some nomi-  
nal price.
2. That the developer will  
cause to be built finished fac-  
tory or commercial buildings  
on 100 acres of industrial or  
commercial lands along High-  
way No. 7.
3. That the developer agree  
to a fixed sale price for a  
period of time for industrial  
or commercial lands and agree  
to sell such lands to any buyer  
at that price while an agree-  
ment is in force.
4. That the Town would re-  
lease for residential buildings  
purposes certain residential  
lands, for example, the un-  
released lands in Re-located  
Plan No. 720 (Delrex E).

There is not one single auth-  
enticated record of the earth's  
having opened up and swallow-  
ed anyone or anything during  
an earthquake

Lighting the way of man to
