Draw Completed - 27 Teams Set for Sat. Hockey

This year, insurance is available to the players at \$1 each, providing regular benefits plus \$100 dental coverage. '65 Fairlane-Excitement in Style (A New World of Value)

Fairlane is the car that's built a unique reputation for ruggedness, reliability, and value. And now, for '65, we've added new values. Outside, this new Fairlane is crisp and clean, with a trimness that makes it easy to park, easy to handle in traffic. Inside Fairlane offers the room of many larger cars, with beautiful new upholstery and a new, smaller steering wheel that is easier to handle. But Fairlane's combination of nimble handling with big car comfort is only part of the story. Low price makes everything about the Fairlane doubly appealing. The new standard "Six" has 120 hp and the smoothness and durability of a 7-main-bearing crankshaft. There is a bigger standard V-8 of 200 hp, plus an optional 225 and 271 hp—with a choice of three transmissions (3 and 4-speed manual and Ford's 3-speed Cruise-O-Matic). As you can see, the "Fabulous Fast-selling Fairlane" is even better for 1965—because it offers all this new value at Fairlane's low price, plus excellent operating economy. Ask a Ford Dealer for a Test Drive soon, and bring the whole family—we build them for family fun. Certain features illustrated or mentioned are optional at extra cost.
