

LEGION NOTES

Vets Shooting Eyes Sharp Win at 'Comfortable War'

by Don M. Platt

Last week's question mark beside mention of our proposed move upstairs has been removed and the move has taken place. The upstairs is by no means finished but as long as one keeps an eye open for flying chips, nails, and other paraphernalia connected with the wood-butcher's trade the new surroundings are quite comfortable.

The various rooms, as paneling and trim are added, are beginning to show the earmarks of a very tasteful decor. Those responsible for the final choice in finishes should be complimented.

Our esteemed steward will now be able to say goodbye to his hand and to all and sundry he will be glad to show his new glass washer in operation. Powered exclusively by water pressure this compact unit, which is flush with the counter-top, not only does an excellent washing job but also spins the glasses and partially dries them. A large amount of space that was previously devoted to glass-washing can now be more efficiently used.

Downstairs the terrace floor, but for a final polishing, is finished and workmen are climbing around the place like termites. It is difficult to guess at the present time, how good the November 14 target date is but we will see.

RIFLE SHOOT

Discipline won and valour lost last Saturday as 'C' Company of the Lions Scouts and Branch 120 decided that if they are going to have a war it must be a comfortable one.

STEWARTTOWN

Church Men Fete New Canon For Dinner

Tuesday evening, Oct. 6th, members of St. John's Guild met at the home of Mr. and Mrs. Fred Armstrong. Arrangements were made for catering to a banquet, and tickets on the bedspread to be raffled at the bazaar were given out.

More touch and take articles were handed in and an attractive baking poster was filled in with prices to be charged.

Lunch was served by Mrs. Harry Scott. The next meeting is to be held Oct. 20th at the home of Mrs. J. C. Murray.

An enjoyable evening was held at St. John's Church Thursday evening of this past week, when the men of the congregation chose to honour the Rev'd Canon Maxwell with a dinner.

Consequently, instead of the traditional out-door shoot at the Georgetown Anglers and Hunters Club, the warriors dodged the icy October air by shooting in the Georgetown armoury.

With their trigger fingers comfortably warmed, the Branch 120 team romped home with the Labatt's Trophy then tied the Lions Scouts for the Henry Shepherd Trophy.

One member of the Legion who was sort of commandeered for the team was Major Earl Lince who is also Commanding Officer of 'C' Company. This put Earl in a rather peculiar spot but he rose to the occasion and stood third highest, helping considerably to win the Labatt Trophy for Branch 120.

Gord Brown, Reg Mooney, Harold Henderson and Harry Scotts tied with the Lions Scouts for the Henry Shepherd Trophy and will have a shoot-off for the trophy at a later date.

Harry Bottoms belled his name as usual and stood at the top. He had highest individual score with a ninety which is mighty fine shooting.

This, for the Legion, is a better showing than last year when the trophies were split on the first shoot. Maybe the elements are too much for the Legionnaires who, we must admit, do like things comfortable.

YOUTH FORUM

The subject of the next Youth Forum which takes place on Sunday, October 18, will be 'Narcotics'. Sergeant G. L. Tomalty, of the Royal Canadian Mounted Police, will be on hand to discuss narcotics.

SILVER-WOOD

Smith & Stone Man Explains Plastics

E. W. Binkley of Smith & Stone Ltd. was guest speaker when members of Silver-Wood Women's Institute held their monthly meeting at the home of Mrs. Fred Duffield on 22 Eildred October 8.

He brought manufactured articles of plastic and explained that different techniques are necessary to make certain articles—some pliable, some rigid, according to their special purpose.

Miss Moore thanked Mr. Binkley for his informative talk and a social half hour was enjoyed by the group.

Miss Emily Fowler of Waterloo, Liverpool, England, was a recent week-end guest with relatives, Mr. and Mrs. Harry Marchington.

George Burt enjoyed a week at Westray moose hunting with a group of local hunters.

Corn cutting is the order of the day at Silver-Wood.

The Silver Belles Homemaking club met at Mrs. George Henderson's Saturday morning for their second lesson in food preparation. Thirteen girls studied structure and food value of a grain of wheat and learned about whole and refined cereals.

They learned how to properly cook rolled oats for breakfast and the double boiler method of cooking rice. They then divided into three sections to make lemon creamy rice, frying pan cookies and tuna noodle casserole. The group then sampled their gastronomic efforts and cleaned up the dishes. Next meeting is October 17.

and narcotics addiction with special emphasis on the legal aspect. Parents are urged to encourage their teenage children to attend these meetings.

The meeting will be held in the Legion Hall and will commence at 8:15. Because the front stairs are not yet complete the rear entrance, off Market Street, will be used. On entering the door the stairs are on the immediate left.

REMEMBRANCE

This year's Remembrance Dinner will be held on Friday, November 6. The Remembrance Day Parade will take place on Sunday, November 8.

GENERAL MEETING

The next General Meeting will be held on Thursday, October 22, at 8:00 p.m.

ASHMOVE

Summer Country Scenes Shown to UCW Ladies.

Well it is Thanksgiving time again, that marks the harvesting and gathering in of the year's bounty. The threshed grain is in the granary and the crops of gardens and orchards are under protective roofs, now the countryside is bathed in the splendid fall colours of red and gold. Truly we have lots to be thankful for.

The Autumn Thankoffering of the UCW was held on Tuesday evening, Oct. 6th in the church basement with Pres. Mrs. W. Bird opening with a hymn and prayer. Mrs. Bob Cunningham read the minutes of September meeting, also a letter from Rev. and Mrs. Jas. Kirkwood from Northern Rhodesia thanking our UCW for the clothing and supplies sent to them earlier this year. Both Mrs. W. Bird and Mrs. Cunningham gave interesting highlights from the Presbyterial held at Clarkson on Sept. 29th. Devotional given by Mrs. Ward Brownridge and she read a chapter from Miss Jane Scott's book "My Adventures with God," describing her thoughts as she was recovering from an illness.

When the party returned to the main auditorium, Mrs. Guy Russell thanked their guide for his kindness and patience on behalf of the members. Mr. Fox said any groups which care to visit the school are welcome. He said the staff is proud of the school and would like more people to see it.

The members signed the visitors book and, at a lunch during a stop at Milton, a committee was formed to handle plans for a euchre in Stewarttown Hall, Saturday, October 24. A draw will be made for a quilt.

Firemen's Two Calls Both to Car Fires

A car owned by Sam Adams R.R. 1, Georgetown was gutted by a fire which occurred moments after it was in collision with a truck early Wednesday morning.

The car, and a truck owned by a Toronto plastering firm, hit on the Silvercreek sidereal near Hickory Falls at about 9 o'clock this morning. Mr. Adams' daughter, who was driving was shaken up.

The fire burned out the car's interior. Firemen checked the flames before they reached the gas tank.

It was the second of two car fires which required the fire department this past week.

On Friday, a fire burned upholstery on the back seat of a car owned by Gary English at 8 Elm Gate.
