Nurses Starting Wage M. O. H. Expresses Concern

...n amendment setting ... the salary ranges, employ... classifications and salary ...chedules was added to the ...ary by-law at Halton County ...ouncil Tues., despite the ex...ressed concern of Medical ...fficer A. H. Bull on its effect ...the Health Unit employees. ...he is concerned about the ...ge of County Council in the ...m of the staff", he stated. "In July you passed a motion setting the salary of public health nurses, now you have changed it", he added. He warned that a superior type health programme could not be carried on without staff. "I must express misgivings", he continued, "with inadequate salaries we will not get new personnel, and perhaps lose some of our present staff."

In conclusion Dr. Bull pointed that the County Health Unit should have twenty five Public Health Nurses, but has only nineteen.

The motion to which Dr. Bull referred, authorized the advertising for public health nurses at a starting salary of $4,500. The new schedule sets the minimum at $4,300.

In answer to a question from Deputy Reeve Whiting of Oakville Dr. Bull pointed out that there was not a wide enough range between the starting salary and maximum for public health nurses, and that longtime employees have not been classed high enough to compensate them for their years of service.

Reeve C. Martin of Milton opposed a third reading on the grounds that schedules were being set for departments with whom there had been no discussion.

"With the Health Department so unhappy about this", commented Deputy Reeve Whiting, "it ill behooves us to pass this today".

Despite the doubts aired by the above, the by-law was given third reading.

Mrs. Peggy Dermott is Church Guild President

The ladies of St. Nicholas Guild of St. Georges and St. Paul's Parishes, had an excellent turnout of members to the election meeting held at the home of Mrs. Hazel Goring, Duncan Drive, on Wednesday, November 25th.

Rev. Stubley officiated assisted by the president, Mrs. Simmons. The new officers for 1965 are President, Mrs. Peggy Dermott; vice president Mrs. Alice Giddings; second vice president, Mrs. Sylvia Coomber; secretary, Mrs. Ruth Michasiw; treasurer, Mrs. Maura Mercer. It was the wish of the meeting that everyone who helped make the bazaar held in the United Cas Store on Friday, November 27th, such a success, be thanked.

Modern farm machinery is equipped with safety shields and guards to protect the operators. The National Safety League points out that safe guards left in the tool shed cannot do the job.

The tractor is involved in most fatal farm accidents, according to the National Safety League of Canada. Operators of this versatile farm machine must know and use safe-operating procedures.
