

Impressed With Hunter Steven's Crescent Man

26 Stevens Crescent.

Dear Mr. Editor: I would like to express my feeling about a town in which I moved to about one and a half years ago. I was born and raised in Windsor, Ont. and I know there are many people living here who have come from there themselves.

In 1960 due to unemployment I moved my family to Toronto. Unsatisfied with Toronto I sold my home there and took up residence in Georgetown in a rented house as I did not want to buy until I was sure that I would like this town. In less than two months I was so enthusiastic and happy with this friendly town I was house hunting to buy my own home. One realtor impressed me very much a man full of enthusiasm who seemed to project good-

pected for his relentless and persistent fight to get industry to our town. On perusing let me also say no one kicks a dead dog criticism is most often a measure of achievement. A man that does nothing is never endowed with criticism. Only a truly relentless fighter of truthfulness. All I can say now is just keep up the good work Mr. Hunter because lies have only short legs and can't run very far. Only truth has the ability to travel any great distance.

Thank you for allowing me this space in your paper to express my feeling about a sincere man for a great town.

ENQUIRING REPORTER

Do You Favor Old System of Monday Elections? Or Do You Feel the New System of Saturday Elections is Better?

I can't see it makes any difference what day it is.

—Ed Burman, Windsor Rd

It would be better on a week day.

—Lobel Dolson, King St

A working day would be better, people plan things on week ends.

—Harry Greig, Windsor Rd

As a consumer I feel Saturday is a far better day. The polls are never open before I left Georgetown, and if the roads were bad, they were closed when I got back.

—Chris Fisher, Edward St

I think Monday is better.

—Ralph Ursel

A week day is better if the polls will stay open until 8:00 o'clock.

—Sandra Greig, Windsor Rd

It's sheer discrimination against three of your biggest taxpayers, the licensed outlets. I can't feature council closing any other retail business up on a Saturday!

—Solomon C
