ROSS HILLIER

Mr. Robert Gougeon is pleased to announce the appointment of Ross Hillier to the sales staff at Robert Gougeon Household Furnishing.

Mr. Hillier is a native of Georgetown, married, with children and resides at 84 River Drive. He has had extensive experience in the sales field.

He extends a cordial invitation to all residents of Georgetown and district to come in and get acquainted and discuss their needs in furniture and home furnishings.

Five men lived for a month in 1963 in a shelter 38 feet below the surface of the Red Sea.

**Advocates County Hays Weekly Council Meetings**

Weekly County Council meetings, rather than the present monthly meetings, was advocated by Warden Herb Merry at Halton County Council last week. He felt that the committee meetings should be abandoned, so that all members of Council are aware of events rather than just the members of the particular committee involved.

He felt that while the committee meeting minutes are read and approved or disapproved by all, it was impossible in reports to know the full discussion.

When advocating the four meetings per month, he suggested two could be in committee-of-the-whole and two regular council meetings.

There was no opposition to the suggestion that the personnel and legislation committee consider the possibility.

Territorial manager H. A. Macchord said Milton-Oakville long distance changes could not be wiped out without making similar adjustments with Georgetown.

He made the statement after

PAUL MERTENS of Galt was the talk of the final stage of the Central Ontario Men's Roll-offs at Georgetown Bowl Sunday. Mertens (at right) holds a card showing his ten game total — a 315 game average. The second and third place finishers also showing their totals are Alex Pawwelko, Galt (3rd), and Jack Davis, Guelph. (2nd.) None of the seven Georgetown bowlers taking part were among the ten qualifiers who will advance to the Eastern Canada roll-offs.

a request from Milton people to have charges for calls between Milton and Oakville erased.

"There's a three-way bill in the Milton exchange," he stated. "Some want free calling to Oakville, some with Georgetown and

others with Burlington." Adjustments could not be made with one of the three go and not the other two.

A recent study, he said, showed that close to 70 per cent of the Milton customers call
