Hot dogs and drinks will be provided for all boys who have taken part in Saturday Morning Hockey this year at the arena this coming Saturday. Tickets for these may be obtained from your coach or manager.

### CLOSEST THING TO GUIDED MISSILES

THROWING DARTS like they were remote controlled, Georgetown Legion's Dart Team won top honours in the Inter-County Dart League this year. They took season's honours and then proved their ability by capturing the playoff championship as well. The season wound up last week in Milton. Members of the Georgetown dart team in the photo are George O'Neil, Art Hall, Ron Cash, Bob Nicholson, Frank Richardson, Arch Pollock, Floyd Ziegler, Roy Rudger, Alf Oates, and Harry Boltom.

### Use High School Gym as Beavers Prep for Opener

Despite adverse weather conditions Beavers Rugged Club continues to practice twice weekly in preparation for the opening game of the spring season.

Due to the soft footing of the field, the club has made arrangements to use the High School gymnasium every Wednesday evening from 7 till 9:30. This has proved very valuable as a more diversified program of exercises can be applied with the result that the boys are getting into shape much faster.

With the long winter, training is behind schedule (this time last year Beavers had already played two games.) The first home game will be a week Sunday if the field is in good shape.

Anyone interested in turning out with the Beavers is welcome to come along to the gym on Wednesday evening.

Anyone with past rugged or Canadian football experience is particularly urged to join up with the local boys. Besides deriving pleasure from good tough games, the club also has a good year-round social life. Enquiries will be answered at 877-4213 or 877-4816.

### McNally Rink are Trophy Winners, School Curling

About 40 high school students took part in the school's curling program which concluded Thursday with the final match at the North Halton Curling Club.

Successfully defending the title and Robert Hamilton Trophy he won when it was presented for the first time last season was skip Dave McNally.

Member of his winning rink were Frances Linton, Joann Sigmundson and Carolyn Freeman.

They defeated a rink skippered by Carroll Farnell to win the trophy. Other members of the Farnell rink are David Farnell, Leslie Quackenbush and Ellen Blehn.

The Farnell rink finished the regular schedule on top of the eight rink league edging the McNally rink for that position. Rinks skippered by Bob Fogal and Don Costley were eliminated in semi-final matches involving the top four rinks.

The score of the championship match was 7 to 4.

Awards will be formally presented at a league banquet May 1st.

Georgetown high school teacher Kenneth Jackson is the league co-ordinator.
