

Spring Finds Georgetown With Many New Residents

A number of Georgetowners are spending their first spring in town. If one can call this chilly weather spring yet, Mr. Neighbour, who has been busy all winter welcoming them on behalf of a number of merchants, including the Herald, here by now, they have been here long enough to get their "sea legs" in a new town which we hope will be their home for many years.

WELCOME SERVICE

Mrs. Hyde and Hunter Were Bridge Winners

Results of the Kinetic bridge tournament published in last week's Herald had an error in winners.

Mrs. Marion Barber and Mrs. Marjorie Gilmer were first prize winners. But second prize was won by Mrs. Eryn Hyde and Mrs. Lorna Hunter rather than the couple reported in the item.

Explains Teaching Work At School for the Deaf

Norval Women's Institute met at the home of Mrs. E. Burk on Thursday evening, April 1, with the president Mrs. Burk in the chair. The meeting opened with the Inaugural Ode, the Mary Stewart Collect and the Lord's Prayer. The roll call was answered with the payment of fees and "an item of interest about your farm or community" which proved interesting.

The Historical Research conveners Mrs. I. Cleave and Mrs. Wm. Graham were in charge of the program. Mrs. Cleave gave a good motto "Life is Like a Ladder, Every Step is Either Up or Down." Mrs. Graham introduced Miss Lois Niven of Georgetown, a teacher at the School for the Deaf at Milton, who spoke on the work done at the School for the Deaf and their methods of teaching the Deaf. Mrs. Graham thanked the speaker for her interesting talk and presented her with a gift.

The yearly reports were given by the various conveners and by the secretary treasurer who reported that during the year the W. I. had supported their adopted 9 year old Korean boy, Lee Chang Whoon, who donated towards the upkeep of

Pinegrove School as a community hall, gave two food hampers of Christmas gifts to the Halton Children's Aid Society and had a good cash balance on hand. The nominating committee still have a few of files to fill but the new president is Mrs. Don Murray.

The hostess was assisted in serving lunch by Mrs. L. May and Mrs. W. Fidler and a social time was enjoyed.

Sympathy is extended to Mr. and Mrs. Douglas Reid and family of Hamilton on the sudden death of Mr. Reid's mother, Mrs. Reid is the former Edith Lyons.

Residents of Draper St. were very pleased when the township filled the many holes on the road with limestone. The road had become almost impassable. The water from the melting snow has no way of getting away and after a heavy rain the road is always flooded.

The limestone is a great improvement but it is hoped that council will follow this up by improving the drainage conditions of the road so that this trouble which has occurred for years will be eliminated.

Some homes along the Credit River at Huttonville may have to be moved if the plan to build a reservoir goes through.
