Georgetown players took a hard fight against the Cobourg team in a game that was Sunday afternoon when they turned out to win 3-1. Each team has a win and a loss.

Over 900 spectators watched Georgetown score their first goal in a 1-0 win over Cobourg in a game played last night at the Georgetown arena. The game was officiated by Art Stamp.

Georgetown coach Gerry Ingalls made one change from his starting lineup, leaving Art Stamp in the starting lineup with Bill Dwyer and Paul Williams and the converted right-winger scored the winner with three goals.

Pennell played a heavy part in the game. Cobourg sentences totalled 87 minutes and Georgetown penalties cost them 47 minutes. Included in the total are 2 ten minute misconduct penalties to Cobourg players and a Georgetown misconduct.

Cobourg took a 1-0 lead and then a back seat as the home crowd flared their scoring muscles in impressive fashion. Butler from Massey accounted for the Cobourg goal at 8:11 of the first period.

Level tied the score from McManomy at 8:58 and Paul Mc-

**Tri-County Hockey Will Consider Two Divisions**

Active in Tri-County hockey since its inception, Art McKeown of Milton was elected president of the Tri-County Association for the 1963-64 season on Sunday afternoon, April 14. More than 30 representatives from Georgetown, Acton, Milton, Brampton, Oakville, Burlington, Preston, Guelph, Orangeville and Hespeler attended the annual meeting in Milton and were called on to cast votes for only one office—third vice-president.

Other members of the new executive include first vice-president Joe O'Kraika of Hespeler, second vice-president Don Jarvis of Georgetown, treasurer, Jim Brockie of Oakville, secretary John McLean of Milton and third vice-president Les Moccock of Brampton. Mr. Moccock defeated Aln Parson of Milton for the third vice-president's spot on the executive.

President of the association for the past two years, Bob Patterson of Brampton, resigned.

The biggest problem confronting the meeting was the possible splitting of the association into two divisions to play next winter. It was decided to take no action on this question until the fall. A proposal from Brampton that "A" and "B" teams play in one division and "C", "D" and "E" teams play in a second division, was deferred until the fall meeting.

In presenting the Brampton proposal, Les Moccock stated that the possible addition of several more teams would force the association to make some change and he thought the division according to categories was the best way. Toronto Township, Streetsville, Dundas, Bramalea and Hamilton were mentioned as possible new entries for next year.

A suggestion was made by Bill Burrell of Milton that the two divisions should play an interlocking schedule with all games to count.

Acton, Milton and Preston representatives indicated they would oppose the split as it was suggested by Brampton. Milton in particular indicated it would not wish to play a complete schedule against weaker competition since the opportunity to compete favorably with all other centres.

**Trim Hespeler**

Though on his limp due to a number of injuries Georgetown's Bantams, trimmed Hespeler twice in a pair of exhibition games. Georgetown prepped for tournament competition with a 6-1 victory at home and 6-3 in Hespeler.
