**Collett Assuming Kin Presidency in the Fall**

The 1965-66 officers of the Georgetown Kinmen Club were elected at a meeting Monday night, however, they won't take office until September.

The president is Bob Collett, 1st vice president Ken Milne, 2nd vice president Tom Kent; secretary Fred Harrison; treasurer Herb Wilson; registrar Glen Wright; directors Don Jarvis, Bob Newman and Jim Sannucks.

A committee to handle a preliminary survey which the Kinmen hope will lead to approval to build low rental apartments for senior citizens here expressed concern on the lack of response to data at the meeting. They said they felt that perhaps the senior citizens of Georgetown (over 65) were reluctant to fill in and return the survey forms available at three locations in town because they thought it would commit them to take an apartment.

One official said the town application form may have caused some of the town's elder people to shy away. He explained the forms are only required to show Central Mortgage & Housing that there is a need for such a project in Georgetown.

To date just eight forms have been received by the committee. They are available at the municipal office, Young's pharmacy and from the Senior Citizens' Club president John Farmer.

May 10th was the date set for the investigating committee to report its findings to the club.

The Girls' Softball League operated by the Kinmen last year, will operate again this year with the club's guidance. Tom Kent was named league commissioner, and this year a new office, assistant commissioner had been created to help with the burden of administering the league. Glen Wright will hold the new office.

Registration dates will be announced later.
