Kim Picked Up Torch For Bantam Trophies
54 Byron St.

Dear Mr. Editor: With the torch picked up by the Georgetown Klansmen, I believe it is only fitting they receive special recognition for their work with the Bantam Tournament.

The Jaycees of Georgetown, who for the first four years of our tournament supplied individual trophies for the championship team, finding themselves unable financially this year to carry on, dropped this project.

The Klansmen, hearing of our plight, immediately volunteered the trophies for our Easter Week Tournament.

Along with this they covered transportation for us and have me, did a wonderful job. Their president, Trev Moore, spent most of the week time keeping for us along with other Klansmen.

So I pass on to you Trev, and your Klansmen club, many thanks from myself and journey executive. Yours is a club worthy of its name.

Ed Ameline.
