

Focus on Construction

ISA FOODLINE will be larger by 50 per cent when an addition in the construction stage is completed in late June.

DAX CONSTRUCTION is building this private home on Reid Court, one of a number of houses currently being erected.

MAVEAL MOTORS at the corner of Main St. north and James will relocate on the highway when this new building now going up on Guelph St. opposite Delrex Blvd. is ready for occupancy.

AN OEP APARTMENT BUILDING, the second to be erected here, is taking shape on Raylawn Crescent beside the first. The builders hope to have it ready for occupancy in July.

ASHGROVE

Christian Family Day Observed at Ashgrove

Christian Family Day was observed on Sunday afternoon at the church service. Printed programs were used and the theme was "Faith in God for today's families." The Sunday School superintendent, Charles Austin, acted as leader. Janet Nurse told the two stories, 1st God's room, which told of a family building a new home and see Tommy wanted a room built for God but his father assured him God was in every room. Second story was "God in the home of Moses" which told of his family and how God promised to keep his people Israel, and he always keeps his promises. The anthem by the choir "When There's Love at Home" was very suitable. Everyone was so pleased to see Mrs. George Nurse able to be at this service. She was always so faithful every Sunday until she broke her hip a year ago.

The U.C.W. meeting was held Tuesday evening, May 4th at the home of Mrs. Frank Wilson 63 Charles St., in Georgetown. Mrs. W. Bard presided and opened with a hymn and prayer. Mrs. Bob Cunningham read the last month's minutes and called the roll which was answered with a thought on home life. Mrs. Bruce McClure gave the Devotional on family life with Scripture readings from Proverbs and St. John by Mrs. Cecil Wilson. During the business periods reports from the Dairy banquet and Easter luncheon were given by Mrs. Frank and Mrs. Clayton Wilson, also Mrs. Frank Riddell read a very nice letter of thanks from the lady who spoke at the luncheon. Mrs. Cecile of Milton, Mrs. J. M. Wickson who spoke on three generations of family life. She touched on such subjects as Senior Citizens, visiting the elderly and shut-ins, when our par-

Would Add Stock Investment Blueprints to Night School

A member of the Advisory Vocational Commission which serves in an advisory capacity to the Georgetown and District High School Board has recommended some changes in the high school's annual night classes.

M. G. Bosio suggested in a letter read at a meeting of the board Monday that courses, Blueprint Reading (Machine Trade), Blueprint Reading (Building Trade), Welding and Stock Investment-Guide for Beginners be added to the list of

Ten Commandments Man's Living Guide

Dear Mr. Editor:

Despite all the high sounding discussion on the merits of Rev. Woods' theories, not one of his critics, or any other citizen of this town, can deny that whether we are dust, fish, fowl or fossil, our basic need is to live by the Ten Commandments as laid down for us in the Bible. All man-made laws were invented simply to enforce the Ten Commandments.

Yours very truly,
C. Davidson.
