

66 Head Carney Herd Brings \$39,405

Seven head brought at least \$500 each, ranging from \$200 to \$2,000 at the disposal of the Carnaces Holstein herd of J. W. Carney, Georgetown, held May 2nd at Oakville. The 66 head sold for total of \$39,405 for an average of \$597 each.

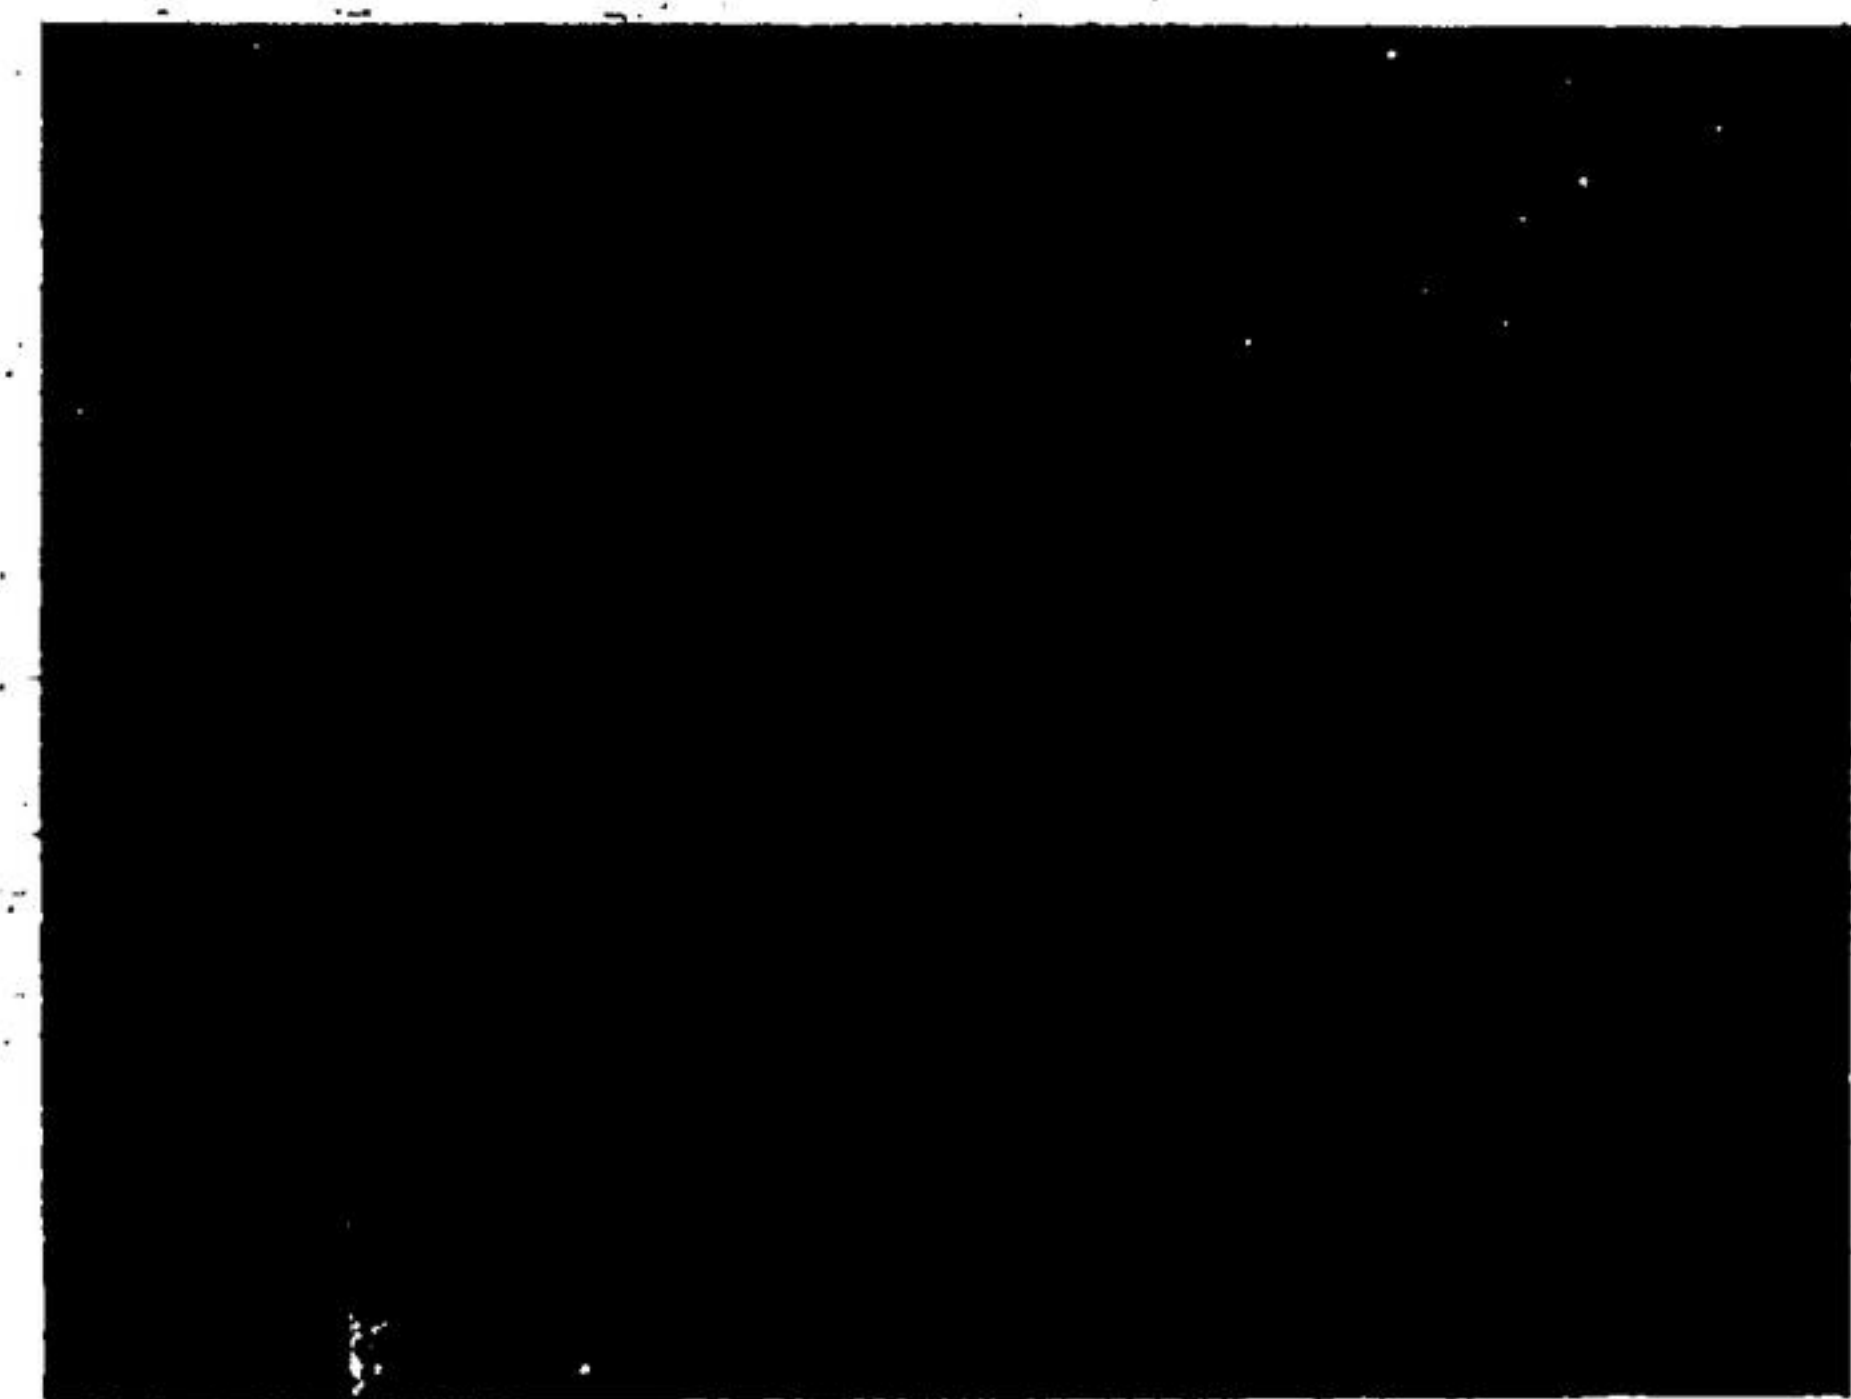

Twenty-seven head were sold for export, five going to the U. S. A. and the balance to South American Countries.

The top price of \$2,000 was paid by Robert W. Lowe Jr., Maple, for the "Excelsior" cow, Cedar Drive Dolly Last. Mr. Lowe also paid \$1,000 for the "Fay Good" cow, Carnacrey, A. Mamie.

The highest price paid for a bred heifer was \$4,900. This was paid by Howard Tarnwell, Georgetown, for Carnaces Oxal Rose, a daughter of Thornet Texal Supreme, the All-Canadian aged bull of 1961.

The second high price for a bred heifer was \$1,400 paid by Allmex, of Montreal, Que. This too, was for a Thornet Oxal Supreme daughter. Allmex bought a total of 12 animals, these included a Very Good cow at \$1,225.

Haye Farms International Ltd., Oakville, purchased another daughter of Thornet Texal Supreme at \$1,200 for an un-bred Latin American buyer. Thirty-one milking females

HOWARD YARZWELL, Georgetown, Jim Carney, his daughters Doreen and Thelma and Mrs. Carney, Georgetown, admire Carnaces Oxal Rose, which Mr. Yarzwell purchased from Mr. Carney for \$1,000. It was the highest price paid for a bred heifer at the Carney sale.

averaged \$597 each; 13 bred heifers \$696; eight open heifers \$403; and 13 heifer calves \$441 and one bull, \$275.

Other good prices included \$600 paid by Barbara Royce, Oakville, for a four-year-old cow.

Objections to Salary Hike To Be Heard by OMB May 28

An Ontario Municipal Board hearing into a refusal of Oakville and Acton, Enniskillen Township and East Grafton to contribute to the salary of Roy McMillan, chairman of the Credit Valley Conservation Authority, is to be held May 28 in Oakville.

Chingacousy, which approved the salary figure plans to send Councillor Frank Lyons, its representative on the Authority, to the hearing, together with a written motion signifying his township's approval.

Mr. McMillan, according to Mr. Lyons, was not up to a set figure when appointed by provincial statute as chairman of the authority, but was paid by the meeting attendees the same as the members.

The authority came up with a figure of \$7,000 a year, plus \$800 a year for use of his car in the watershed. Mr. McMillan however, asked it to be \$5,000, plus the \$800 car allowance and this was agreed to by the authority.

Twelve municipalities contribute to this sum, four have opposed it and the question was turned over to the Ontario Municipal Board for a clarification ruling.

The four opposing representatives less than 10 per cent of the levy, according to Mr. Lyons.

District Girl Guides Sell Boxed Cookies

Georgetown, Norval and Limehouse people bought 1,800 boxes of Girl Guide Cookies when the Guides and Brownies went to their annual selling bee Saturday May 8.

Georgetown is made up of two districts and Norval and Limehouse constitute the Credit Valley District.

In all of Halton County the Guides and Brownies sold 4,806 boxes of cookies. The Guide Troops and Brownies Packs make 10¢ on every box of cookies sold. Georgetown includes some 21 Troops and Packs. The cookies are shipped from the manufacturer to the District Commissioners and are distributed to the various units from there. Mrs. Hills, of Georgetown, the Halton Division Commissioner, said the cookie sales this year were "about average although sales increased in Acton and Milton."

GEORGETOWN RESTRICTIONS

SALE and DISCHARGE of FIREWORKS

Please Note That By-Law No. 58-14 Passed at the May 5, 1958, Georgetown Council Meeting Establishes the Following Regulations Concerning Fireworks.

1. Fireworks can be sold in Georgetown only on the 7 days prior to and including the day fixed for Victoria Day celebration and none may be sold to anyone under the age of 16.
2. No fireworks can be discharged on any day except Victoria Day.
3. The Fire Chief may issue a permit for special displays by organizations under supervision of a properly qualified person. Written applications should be made to the Fire Chief at least one week in advance of the event.
4. A person convicted of breaking the by-law is liable to a fine up to \$50 plus costs.

Terms and conditions of the above mentioned by-law will be strictly enforced by the Police Department.

Public School Safety Patrollers Leave Today for Ottawa Jamboree

A delegation of 3 Safety Patrol members from Georgetown district will leave today (May 20th) for Ottawa to participate in the 5th National School Safety Patrol Jamboree. David Peck of Park Public School, Gary Billington of Harrison Public School and Marilyn Mackenzie of Kennedy Public School will attend the three-day outing as guests of the Hamilton Automobile Club.

The colourful event will feature tours of the Mint, Archives, National Museum and House of Commons. As a special feature, the youngsters will see the famous Musical Ride of the R.C.M.P. Patrols from coast to coast in Canada will be in attendance.

Highlights of the celebration will be Saturday's mammoth parade up Parliament Hill by some 5,000 youngsters accompanied by bands and majorettes. This will be followed by a special showing of the circus with all seats reserved for the patrols and their chaperones.

Sponsored by the Canadian Automobile Association, the Jamboree is attended by a host of civic and federal government dignitaries. The Hamilton Automobile Club will be represented by Safety Director H. W. Hilder.

Since the patrol program was launched the traffic deaths of children between 5 and 9 years of age has been almost eliminated in those 11 district communities where patrols operate. Traffic acci-

OMB TO HEAR COMPENSATION CLAIM JUNE 30

Friday, May 14 - 3:00 PM. An emergency run from Georgetown Hospital to the Ontario Hospital, Hamilton, taken by D. Peck, G. Graham and T. Massena.

BELL LINES

by Arnold Blachford your telephone manager

OUTDOORS AT HOME

I wonder if Canadians would be so appreciative of the spring and summer if Canada had a warm climate all year round? Well, no matter, the fact is that we don't have a warm climate all year round, and so we take as much advantage of it as possible while it's here. This doesn't only mean trips and excursions and picnics and the like, but "outside living" on the porch, patio, or under the family trees. And this can sometimes present a problem because "inside living" still has to go on as well. For example, the telephone is probably considered a part of "inside living" by most people — perhaps because it's more or less "tied down" by a wire. Yet there are two solutions which let people enjoy as much "outside living" as possible while still keeping in easy touch with friends. One is the Bell Chime, which can be set to ring loud enough to be heard outdoors (it also has a regular ring, plus a soft musical tone that's perfect when a family member is resting). The other is a portable extension with a weatherproof jack. What would you do with an outdoor extension during the winter months? — Well, you take it back in with you and use it as a regular extension! If you're interested, we'd be glad to tell you more about it — just give us a call at our business office.

ON HOLDING THE LINE

With the first long weekend of the summer coming up, I'd like to take a little space in the column to pass along some statistics on the highway-accident picture in Ontario, and congratulate drivers for the remarkable showing made last year in holding the death rate down. The Bell's interest in safety is, I believe, well-known, and the fact that the Company operates the largest fleet of vehicles in Canada makes road safety all that more important to us.

According to figures released by the Canadian Highway Safety Council, Ontario highway accidents took 1,454 lives last year — three lives more than in 1962. Apart from Newfoundland, which actually lowered the number of deaths, Ontario's increase of roughly one-fifth of one per cent is almost incredible — especially when compared to neighbouring Quebec and Manitoba, where deaths tragically increased 20 and 11 per cent, respectively.

I sincerely hope that as we take to the road this summer we will not only continue to hold down the death rate, but actually begin to pare it away as in Newfoundland. Our highways will become safer and safer for all of us if each one — driver, passenger, pedestrian and cyclist alike — will accept a continuing responsibility to see that they do so. Summed up very simply, this means that Road Safety is everyone's responsibility, and all the time. Right?
