

Lauraine Ford, Brian Fife Exchange Vows at St. John's

St. John's United Church was decorated with white mums for the marriage on April 17th of Lauraine Louise Ford, 262 Briarwood, and Brian Fife. Both are well known of the church.

The bride wore ballerina length white nylon, white accessories and carried pink roses and white gardenias with a centre corsage of pink orchids with streamers caught with lily of the valley. She later put the bouquet on her father's grave. Her shoulder length veil was of nylon tulle, held with a tiara of pearls.

Rev. Ian Fleming officiated. Kenneth R. Harrison was organist and Thomas Darce soloist.

Miss Gwen Ford was her sister's maid of honour. She wore a gown of blue crystal charm, a wedding ring hat of the same material and carried a bouquet of white daisies and pink orchids.

Bridesmaids were the groom's sister Miss Dolores Fife and his sister-in-law Mrs. Iris Fife. The bride's sister, Miss Bonnie Fife was junior bridesmaid. They wore gowns of green, pink, yellow crystal charm respectively, white accessories and

LIMEHOUSE

92 Register at Fiftieth Annual T.W. Presbyterial

The fiftieth annual sectional meeting of section two of Toronto West Presbyterian was held in Limehouse Presbyterian Church on May 6th with 92 registrants. Mrs. Thomas Snow of Osnagh and Mrs. Milton Bird of Georgetown were in charge of registration.

This was the first time it had ever been there. Mrs. F. L. Thompson of Georgetown and Mrs. J. H. Wylie of Streetsville chaired the meeting with the theme, "What doth the Lord Require of Thee?"

Mrs. Mitchell, the president of the Limehouse W.M.S., welcomed the visitors. The opening devotional period was taken by Mrs. Arthur Campbell and Mrs. Leslie Young of Union and Mrs. Harold Michie of Boston followed with prayer.

Milton invited the group to meet there in 1966.

Mrs. S. Lockie of Milton sang "My Task" accompanied at the piano by Mrs. W. E. Robertson. The offering was received by Mrs. Patterson and Mrs. Cribb, and dedicated by Mrs. McClure of Norval. Minutes were read by secretary Mrs. George Julian, Brampton.

Mrs. Duncanson of Streetsville introduced the guest speaker, Mrs. Roy Gellatley, a missionary on furlough and about to return very soon to the Calabar territory in Africa. She told of the problems and rewards of the work there, and how their prayers had been answered when clinical supplies were greatly needed. She also mentioned an amalgamation of the Protestant missions' work.

Marion Young thanked the societies for her trip to camp in 1964 and spoke of her experiences there.

Greetings from Presbyterial were brought by Mrs. S. A. Mills, E.A., president; by treasurer, Miss Cheyne, by lit. secretary, Mrs. Pepper, by hospital, Miss M. L. Tow, and supply secretary, Mrs. T. J. Joyce, of the Toronto district.

Mrs. Alexander of Brampton expressed the appreciation of those contributing to the meet-

LET'S PLAY BRIDGE

I am continually amazed at the number of bridge players who miss this elementary defensive play. I refer to both beginners and experienced players. The defensive play is one in which you attempt to cut down dummy's ruffing power.

One of the reasons for playing in a trump suit is to ruff one's losers. Often, due to a shortage of trump in dummy, declarer must do his ruffing before he takes out trump. If then becomes the defender's duty to take out trump. This play seems to go against the grain of many players.

Let's see how this can work in an actual hand. This was Board No. 10 played last week at the Acton Bridge Club.

Both sides vulnerable.

The bidding:

I have shown South getting to four diamonds here. Last week, two declarers got to four diamonds, while one reached only three. The fourth time it was played, East got to four hearts and made it (I don't know how).

But back to four diamonds.

SCOUTS, CUBS TAKE A PEAK FROM 10,000 FT.

The Cubs and Scouts of the 1st Glen Williams and 5th B Georgetown Pack went flying Saturday. The groups assembled at Toronto International Airport in perfect flying weather, and boarded one of Air Canada's four engine Viscounts.

In a few minutes the party was well over Toronto fascinated by the miniature buildings below. For many this was their first plane ride.

The Viscount took them over Lake Ontario and circling to head over Georgetown the altimeter registered 10,000 feet. As the pilot banked the plane over Georgetown the Scouts and Cubs had little trouble in locating their homes, schools and other landmarks.

All during the trip the boys were taken, two at a time to the cabin to see the crew and the many instruments.

Before leaving the airfield the group thanked Captain Dave Hurphries, 1st officer Jack Coleman, and Stewardesses Julie Box and B. Alexander.

Leaders who made the trip possible Mrs. B. Reynolds, Mrs. J. Lafort, Mr. B. Hardman, Mr. J. Smyth and Mr. R. Colter.

The different results depend on how often the defense led trump.

"Good Scouts" Tribute To New Californians

Dear Sir:

We have organizations that extend a welcome to new families to our cities and towns and this is a fine idea, but I would like to "sing the praises" of one family who moved from Georgetown last week to California.
